CHAMBER'S NEW OFFICERS - The Belleville Area Chamber of Commerce elected the above officers to guide the chamber during the coming year. Left to right are: Donald Walters, treasurer; Miss Barbara Rogalle, secretary; Irv Wallace, president; and John Barber, vice-president. The chamber's current membership stands at a new high of 116.

CITE POLICY

Chamber Elects New Slate

BELLEVILLE - A strong and active participation in worthwhile projects and programs for the betterment and future growth of the Belleville area will be the major continued aim of the new official family of the Belleville Area Chamber of Commerce. Members of the Chamber elected new officers at the Nov. 21 Board of Directors session.

Irv Wallace, manager of the National Bank of Detroit, Belleville branch, was elected president. He succeeds Justin Emerson.

Others elected were John Barber, owner of Chrysler

Plymouth Sales and Service, Inc., 474 Columbia street, vice-president; Donald Walters, manager of the Wayne Federal Savings and Loan, Belleville, 186 Main street, treasurer; and Miss Barbara Rogalle, co-owner of Rogalle's Lounge, 11375 Haggerty road at I-94 Expressway, secretary.

The Chamber currently has a record membership of 116.

"We expect the Chamber to continue its rapid growth in membership. It now encompasses the entire Belleville area. We will continue the policy of active participation in worthwhile community projects.

And we intend to take official stands on issues and initiate steps that hopefully will do better for the business and residential aspects of the community as well as its future growth."

The directors are Justin Emerson, 533 Main street; manager of Detroit Edison here; Landy Box, owner of Box's Jewelry Store, 454 Main street; Joel Clark, of Clark Block and Supply, 4930 Belleville road; Arthur Harvey, of Kirk's Drug Store, 444 Main street; and Lynne Hamilton, of Hamilton Hardware Store, 458 Main street. The officers are also directors.

City-Van Buren Merger Issue Meets Opposition

Township Official Voices Objections

Both Communities Preparing Brochures and Citing Stands

BY HENRY CANTIN
ANP Staff Writer

BELLEVILLE - The proposed merger of the City of Belleville and Van Buren Township is meeting opposition from township officials and residents as voters' decision draws near, it was disclosed Monday.

A request by Belleville to annex all of Van Buren Township and unite into one governmental unit will be presented to voters of both communities on Dec. 10.

The city's petition has been approved by the Wayne County Board of Supervisors and now it is up to the majority of the electorate in both communities for final approval.

OPPOSITION to the proposal was voiced Monday by Louis A. Toth upon his return from a hunting trip.

Other members of the Township Board are also reported to be opposed to the merger, Toth stated.

"We are opposing the merger for many reasons. The whole Board has gone on record as opposing this proposal. We are preparing a brochure minutely detailing our position in this matter. It will be sent to all our residents."

"For the present and based on what I have heard, it can't be done on an increase of 1.4 mills. I want to check on just what the city means by this increase."

"Does it mean 1.4 mills more on top of present city tax rate and if so, this mill will be passed on to township residents that now pay on one

mill for township operations. "It is impossible to give both areas city government on this."

"We will present our side. It is up to the people if they want it. Then that is their decision." Toth also wonders how the city proposes to furnish rubbish collection and still provide for full time police and fire protection on 1.4 mills hike.

"Even if the city were to eliminate township officials the added savings in salaries wouldn't do it," he said.

MEANWHILE BOTH city and township officials are holding meetings to voice their sides to the dispute.

An earlier attempt by the city to annex the southern portion of Van Buren Township in 1963 met with voter defeat.

The city is also preparing its brochure citing the advantages of uniting both communities. A meeting on proposed merger plans was held Monday night at the Haggerty School.

INTERVIEWS HELD

Van Buren School Probe Continuing

BELLEVILLE - An investigating team of representatives from the National Education Association and Michigan Education Association have been interviewing members of the teaching and administrative staffs of the Van Buren Public School System.

The investigators have initiated their inquiries which included area residents too, at the request of the Van Buren Education Association, bargaining agent for Van Buren Public School teachers.

The teachers request for a sanctions investigation was made last June during the negotiations for a new 1968-69 teachers contract.

IT WAS printed last week that since that time it has been determined that Van Buren schools' situation is not as critical as it was in June, and the sanctions are not a major consideration at this time.

However, it was stated, the investigation will be revealing to both teachers and administrators and will aid in determining plans for the future, in recognizing problems and in preparing for the solution of these problems.

Dale E. Kaulitz, school superintendent, and Board members are cooperating. Roland A. Wolfe, president of the Van Buren Education Association urged all the teachers to cooperate during the investigation.

The probers held their interviews at Belleville High School Wednesday, Thursday and Friday of last week.

PERFORMING THEIR GOOD DEED - Cub Scouts Troop No. 1 (Den 1) sponsored by the Episcopal Church of Belleville presented tray favors of walnut shells made to appear as turkeys for Thanksgiving trays. Cub Scouts left to right are Glen Cleghorn, David Prouty, Guy McCloskey, Ricky Smith, Frank Armatis and Monte Prouty. To the left is Leader Mrs. Hazel Cleghorn. Receiving the tray gifts is Head Nurse Mrs. Jacqueline Sorensen.

Santa Claus Arrives Dec. 2

BELLEVILLE - Jolly Old St. Nick, merry as ever, is coming to the City of Belleville.

Dear Santa Claus is coming to visit government officials, business leaders, residents both young and old to make sure that they all have a Happy Christmas this year.

He will arrive during the week of Dec. 2 and will be on the downtown streets of Belleville to greet all the children and to talk of his new and latest toys and gifts.

Santa will answer questions and more than ever he wants to prepare his list of orders for Christmas delivery.

Be sure to drop in to your favorite store and Santa will be there and nearby.

CHRISTMAS SHOPPING will be officially underway when Santa arrives, and to prepare for his arrival and to make sure residents find the toys, gifts and other merchandise, local stores have stocked their shelves with attractive gifts and the very latest in Christmas happiness and cheer for the youngsters - toys galore.

Stores will remain open to 8 p.m. every night until Christmas.

Landy Box and Lynne

Hamilton, co-chairmen of the Christmas Program Committee for the Belleville Area Chamber of Commerce, reported that merchants have been preparing for this year's Christmas season for weeks. Merchants are offering a wide selection of gifts and prizes.

First prize will be a portable television set. Second prize will be a General Electric AM, FM radio. They are on display at Gamble's store and at Box's Jewelry Store, respectively.

Charter Commission Holds First Meeting

ROMULUS - The newly-elected Charter Commission for Romulus held its first meeting last week.

Six members of the nine-member commission were present at this meeting, an organizational session.

Alfred J. Perry, present township clerk, was named temporary chairman and Mrs. Mickey Lopota, temporary

secretary. The next meeting will be held on Dec. 4 at the Township Hall.

Meanwhile, Perry is gathering information of charter commission activities of nearby communities that have incorporated into cities, and has contacted the Michigan Municipal League requesting all available procedures and plans relating to incorporation matters.

Romulus Home Looted

ROMULUS - A break-in of a Romulus Township residence believed to be the work of a burglary ring is under investigation by members of the Ypsilanti Post of the State Police.

The break-in was at the home of Joseph Collins, located at 37151 McBride. Collins returned home from work last Wednesday and discovered his home ransacked and some \$1,500 in household appliances, movie projector taken. Entry was made by breaking through a service door of the home.

Food in the home freezer was also taken, a television set, radio, vacuum cleaner and two other items were missing. Mrs. Joseph Collins was visiting an injured brother when the burglars made their entry.

Collins reported that other homes in the area have been robbed. State Police suspect that the break-ins are the work of a burglary gang and have issued an alert to homeowners to be on the lookout for any suspicious person or persons and to call police when they see such persons around their premises.

INTER-FAITH RITES

Thanksgiving Services

BELLEVILLE - The second annual Inter-Faith Thanksgiving services will be held at United Methodist Church, 455 High street, tonight, Nov. 27, at 8 p.m., Rev. Allen B. Rice II, pastor, announced.

Participating in the Inter-Faith rites will be Rev. Robert MacDonald, pastor of the Trinity Episcopal Church, and Rev. Father Richard Welsh, assistant pastor at St. Anthony Catholic Church of Belleville.

A large group of singers from the three parishes will combine their voices in song at the Thanksgiving services.

Instead of the religious leaders preaching, there will be three processions down the center aisle of United Methodist Church reciting the liturgy of the day.

There will be a coffee fellowship in the Parish Hall after the services.

Offerings will be used for ecumenical scholarships. Everyone is cordially invited to attend.

Members of Belleville City Council unanimously approved the merger. Councilman Nelson Boone stated:

"I AM in favor of annexation. It will prevent other cities from taking our industrial sites. If they start to grab sections of the township, then only the people in those areas can vote and not the whole township or city."

"It will protect our present tax base and for one thing eliminate the boundary problems involving the high school as well as bringing in added revenues that township residents do not receive from the state such as fuel and weight tax, sales tax and state income tax rebates."

In urging approval of the merger issue that will eventually occur in the future if not now approved in the Dec. 10 election, Mayor Smith stated that the merger would protect one of the most important problems of any state, city of municipality and that it is its tax base.

"The merger of city and township will protect this tax base that now stands at \$46,747,140 of assessed property valuation in Van Buren, state equalized."

Ten years ago it was merely \$15,509,014. Valuation jumps \$31,000,000 in these ten years and in the last year it jumps \$4,000,000."

HE ADDED that the most lucrative township sections are up for grabs by two adjoining communities.

The City of Wayne joins Van Buren at Hannan and Van Buren Roads. At this point there is both sewers and water. These areas have all the necessary sales pitches to induce the voters of Wayne to file annexation petition, Mayor Smith said.

This community has a large full-time fire and police department, large Ford Motor Company plant and many other industrial assets.

There are merely 18 houses in Van Buren on the north side of Van Buren Road from Hannan to Belleville Road. The approximately 1,000 acres

which is 90 per cent vacant land makes it most lucrative for industrial development, the Mayor said.

In addition to this there is Republic Tool and Die located at Van Buren Road which has assessed valuation of \$2,526,919 state equalized or 5.41 percent of the total Van Buren property valuation.

ANOTHER REASON that is drawing the interest of other communities to the area is that this section is ripe for industrial expansion as the I-275 Interstate Freeway's By-Pass will go through this property just west of Hannan Road with a cloverleaf at about Hannan and Van Buren Roads plus the fact that the New York Central Railroad runs on the northern boundary, Mayor Smith disclosed.

"Romulus Township, that has just voted for city incorporation is looking our way. It is common knowledge that the city of Taylor was planning to grab Metc Airport from Romulus. The city incorporation now prevents this," Mayor Smith added.

Romulus joins Van Buren at I-94 Expressway and Hannan Road. There are industrial plants in this area with a total property valuation of \$1,480,886, state equalized. This tax base is ripe for Romulus to grab at some later date.

The mayor also cited the problems of Novi Township. It was sitting with a good tax base and with a large Ford Motor Company plant.

What happens? A petition to form the City of Wixom is filed and subsequent loss of the big Ford plant and 1,000 choice acres of land for industrial development to the City of Wixom.

Since this event, the Township of Novi had filed petition for city incorporation and is now Novi City.

MAYOR SMITH still insists that an increase of 1.4 mills only will be made.

Based on the combined property valuation of city and township of \$54,524,310, the 1.4 mills would bring in around \$55,000 for operation.

This would not be the only additional revenue coming in. He stated that monies from state income tax, liquor tax, sales tax, gas and weight taxes would make up the balance of the operating budget for the merged communities.

To support this, Mayor Smith stated that a prepared statement with a breakdown of costs and related matters will be published next week.

ROMULUS — Seaman Apprentice Michael Carwana USN, 19, son of Mr. and Mrs. Joseph Carwana of 37511 Castle Drive, has graduated from the Signalman School at Fleet Training Center, Newport, R.I.

During the six week course he learned how to use the various shipboard communications devices such as flaghoist, semaphore, and flashing light.

Impoundment Law in Effect

LANSING — A revolutionary new method of dealing with persons who drive while under suspension and revocation in the form of a law which provides for impoundment of their vehicles is now in effect.

Secretary of State James M. Hare, who initiated the legislation, says that because this is a totally new concept and the first of its type in the country, that it will take Michigan courts a reasonable period of time to become experienced in administering the new law.

Provisions of the new law... P.L. 197... call for impoundment of a vehicle from 30 to 120 days for any person convicted of driving while under suspension, revocation, or denial.

"It will take time for the courts to get geared up to handle this new law since they must set up impoundment procedures and provide storage areas for vehicles which will be taken out of service under the new law," said Hare.

UNDER THIS impoundment law, a convicted driver must pay all costs of impoundment. Owners not claiming their vehicles within 30 days of the end of the period of impoundment, will find vehicles treated as abandoned and disposed of. Vehicles which are unpaid for but sold under the abandoned provisions of the new law, must be paid for, and the person owing on them will still be liable for payments to the lien holder.

Hare said the volume of impoundments "depends on how strictly judges administer the law."

"It's a revolutionary new concept in dealing with bad drivers and our Department doesn't know what volume of impoundments to expect around the state."

It has been estimated, Hare said, that if the law is administered "rigidly" it could result in some 6,000 vehicles impounded annually.

Smith talked of the problems that led to Novi Incorporating into a city and how Novi Township lost a good share of its tax base through other cities annexing part of Novi Township containing industry. He cited Wixom's annexation of Ford Motor Company Plant, as an example of what has happened to Novi.

Conservation Group Opposes Proposed Willow Creek Fill-in

By ED SHUMBERA

The Huron Valley Conservation Association would like to report at this time that they opposed the fill-in of Willow Creek.

It has been proposed to encase Willow Creek in a sewer culvert and then land-fill the Willow Creek Valley by dumping garbage and other rubbish.

This will be a great misfortune to befall Willow Creek, which was once an excellent fishing and scenic area. It was not unusual to find four-pound Black Bass or Trout inhabiting the creek.

The creek and valley was once one of the most natural scenic areas in this locality. The Huron Valley Conservation Association feels this area can be restored to its original condition upon the clean-up of the General Motors water treatment next spring, and when Ypsilanti sewage treatment discharge is also corrected.

20-year scenic blight, and result in the loss of one of our most potential beautiful areas.

This writer's visit to Lansing with Mayor Royce E. Smith last week before the Michigan Water Resource Commission resulted in the findings that the Commission has based the pollution of Belleville Lake as an act of God.

They are referring to the two dams that were washed out as the reasons for the polluting of Belleville Lake.

It seems that they are forgetting that Belleville Lake was already polluted prior to the dams being washed out.

The Michigan Water Resource Commission feels that there will be Total Body Contact in Belleville Lake by spring, 1969. At least they stated they will wait and see.

How this "wait and see" method can correct this situation of pollution and give Total Body Contact in Belleville Lake this Spring is not understandable.

AS PER the act of God, the two washed-out dams are under no work or plans as to

Want to be a wise moneysaver? Then just dial your Long Distance calls direct instead of placing them Person-to-Person. It's one way to cut your phone bill if you are reasonably sure the party you are calling will be there. And it's easy, too.

Just dial "1", then the Area Code, if it's different from your own, and the number you want.

For an idea of how much you can save, here's an example. A 3-minute Person-to-Person call between Detroit and Cincinnati costs \$1.30 at the day rate. Dial direct Station-to-Station and that same call costs only 85¢. You pocket the 34 per cent difference.

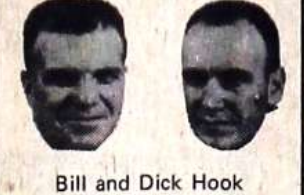

So be smart. Give a hoot about savings. Dial Direct. It's the moneysaving way to call Long Distance.

How did Labor Day come to be? Well, we can thank Peter J. McGuire for inventing it. He was president of the United Brotherhood of Carpenters and Joiners of America back in 1882, and it troubled him that there was no holiday "representative of the industrial spirit, the great vital force of the nation." So he proposed the first Monday in September as the day for labor to celebrate its "strength and esprit de corps." By 1894 Labor Day was a legal holiday in 30 states. It's now universal in every state and territory, and a good thing. A man gets worn out with those month-long summer vacations!

Romulus Seeks Bids

ROMULUS — The Township of Romulus is requesting bids for a new rubbish and garbage pickup and disposal contract, Alfred J. Perry, township clerk, announced.

Bids must be in by 4 p.m. Monday, Dec. 2 at the Township Clerk's office, 36572 Goddard road.

The bids received will be opened and read at the township board meeting on Dec. 2 at 8 p.m. Contractors are being asked to submit bids on a two-year and three-year contract.

Canejo and Sons Trucking Company, 16321 Dodge, are the present rubbish and garbage pickup and disposal contractors. Their contract expires on Dec. 5 of this year, Perry said.

Chamber Chatter

By THEODORE F. KUCKELMAN

"Brothers," said the preacher, "the subject of my sermon today is liars. How many in this congregation have read the 18th chapter of Mark?" Nearly every hand went up. "You are the people I want to preach to," the Reverend said. "There isn't any such chapter!"

On Nov. 21, the Board of the Chamber of Commerce elected their new officers. They are as follows: President, Irv Wallace; Vice-President, John Barber; Secretary, Miss Barbara Rogalle; Treasurer, Don Walters; the Board of Directors, Joel Clark, Justin Emerson, Landy Box, Lynne Hamilton and Arthur Harvey.

A high school graduate applied for a summer job with a road construction company. One of the questions the boss asked was, "Can you operate a steam shovel?" "You can't catch me on that one," said the young man. "Nobody can shovel steam."

ON LAKE CLEAN-UP

Water Board Hears Local Officials

ROMULUS — Representative Edward E. Mahalak, (D) 38th District, reported that a public hearing on Belleville Lake pollution was held Nov. 20 at the Ramada Inn, Lansing.

The hearing was conducted by the Michigan Water Resources Commission and the following officers appeared: Mayor Royce E. Smith of Belleville, Trustee Joseph Hogan of Van Buren Township, Raymond Suliman, Huron River Anti-Pollution Commission chairman; Edward J. Shumbara, Huron Valley Conservation Association; Larry O. Bochter of the Belleville Area Chamber of Commerce, and Representative Mahalak.

The Water Resources Commission at first did not want to schedule the hearing because of a public hearing held in February, 1968, and the Commission had before it a wide divergence of views on Belleville Lake. Further, the commission stated any new views would not change the facts of the situation of pollution in the lake.

THE COMMISSION also stated they were well aware of current water quality problems and the status of corrective efforts.

The Water Resources Commission, however, was persuaded upon to allow the people from the Belleville area to appear, Mahalak reported.

John E. Vogt, commission chairman, who also represents the State Health Director, said the Belleville Lake was designated for recreational uses and the commission was exerting vigor in maintaining water quality standards.

Representative Mahalak reported that those present spoke on the loss of revenue during the summer because of the banning of swimming in the Belleville Lake, thereby causing area recreation to fall off completely.

Mahalak further reported on the need of setting the standards for the Belleville Lake to be of total body contact and that the uses of the Belleville Lake be protected to the fullest extent by the Water Resources Commission.

He said that while Huron Township, Wayne County, and Berling Township, Monroe County; down stream were cited by the Water Resources Commission and that efforts are being made by these communities to correct their situation, very little was being done up stream.

LORING F. OEMING, executive secretary of the commission, read a copy of a letter to communities up stream who were cited but as yet he said these communities have done little or nothing to correct the situation and would be ordered to appear before the Water Resources Commission.

Mahalak reported that it was a result of high bacteria count that swimming ban signs were posted (July 22) around the Belleville Lake. Valuation of property situated on the lake was being threatened by the pollution problem in the Belleville Lake.

Vogt said the water of the lake was improving and swimming would be permitted next year. Those present felt we would wait and see but still continue the fight to protect the uses of the Belleville Lake.

Santa Arrives In Romulus December 7

ROMULUS — Santa Claus will arrive in Romulus at 12 noon, Dec. 7.

He will land at Five Point Park in a helicopter.

On hand to greet him will be officials of Romulus Township, members of Romulus Recreation Commission and Romulus Jaycees.

Santa Claus will then be escorted to the Romulus Township Hall where he will officiate at a Christmas Party for the children of Romulus.

He will then return to his trailer at Five Point Park.

Santa will have visiting hours at his trailer every day from 1 to 8 p.m. every day until Dec. 24, Christmas Eve.

The Recreation Commission would like to invite all the citizens of Romulus to come and welcome Santa.

Thanksgiving Day—
A Great Tradition

It has been said that nothing is so constant as change. Bulldozers and earth movers give evidence of this every day. And yet, a few traditions and principles will very likely be with us as long as there is a United States, and as long as we enjoy freedom under representative government.

A typically American tradition is Thanksgiving, this year to be observed November 28—a day of quiet family foregatherings in the privacy of home to give thanks and to partake of that fine old symbol of Thanksgiving—a roast turkey.

ONCE AGAIN, it will be a sober day for many who have members of their families in the Armed Forces. And it will be a sad day for more than a few who must endure an empty space at the table that will never be filled. For these, the tragedy of war has exacted the ultimate price.

While it may be small comfort, they should be assured that they have the deepest sympathy of all the good people of our country.

On Thanksgiving, there should be no other kind. And, while we think of Thanksgiving in terms of family gatherings, it should not be forgotten that giving thanks with due humility is a matter for the individual.

In that moment, we are alone with our thoughts. They should be worthy of a great day and a great tradition.

Poetry Corner

To the Editor:

Today I received a beautiful Thanksgiving Day card from my mother. It was no ordinary card because on it she had written a lovely verse. You see, my husband is in the Army and we're stationed at Fort Hood, Texas, and this is our first Thanksgiving away from our friends and relatives. We have so many blessings to account for, especially the love our family has shown us.

I wish you would please share this original verse with your readers since many of them have sons and daughters away.

Thanksgiving Without You

Once more it's time for the Thanksgiving Feast,
With the turkey brown and rolls strong with yeast,
Cranberries red and pies hot and spicy.
All of the feast very enticing.

It's cool November and the wind blows cold;
Inside it's warm and stories unfold,
About how American Heritage gave us this day,
With the sweat of their brows and toil all the way.

We give our thanks for all we hold dear;
The love of our country and the family we rear.
We're proud and rejoice for this happy day,
But we'll miss your presence in every way.

Although, on this day, we are miles apart;
Your sweet, dear faces will be in my heart.
Love,
Mom

Letters to the Editor

TO THE EDITOR:

I am a resident of Van Buren Township, interested and curious about the pending city-township merger. My question is: Who will maintain our roads in the manner to which we're accustomed? The City of Belleville certainly is no example for any type of road care since some of our city streets are in poorer shape than many back roads. Neither the township or the city has equipment with which to repair or maintain our roadways, so just who takes care of us in the event of the vote passing?

We live on a dead-end street which the county cares for as fully as if it were a busy thoroughfare. We, and those in the same circumstances, would be the last to receive attention since our road goes nowhere. This is our biggest concern regarding annexation.

Tired of Toll Calls

"Candid Capers"

By Bill Balogh

"THERE I WAS FLAT ON MY BACK"—Kids love to get into mom and dad's things from days past. The tots all have their own private world of make-believe as is evident that this young future flier goes all out playing the part after taking things over in daddy's den. These are the "golden years" where one can imagine and be anything they want, any time ...of course any "old" props around the house always help.

Partridges And Pear Trees

Christmas for twelve days? Why not—as the folksong suggests—lengthen the season of giving and joy?

The incredibly popular Yuletide song, of course, celebrates long-ago customs—when the great midwinter festival really did last for twelve days.

The song honors the days from Christmas to Epiphany—Jan. 6—the day the Three Wise Kings, laden with precious gifts, came from the East to visit the Child.

Partridges and pear trees are not very common Christmas gifts these days—if indeed they ever were. But giving and gifts are still cherished holiday customs.

Christmas Seals are one of those customs. And the design of this year's Christmas Seal is a plump partridge in a tree of golden pears, the gift—in the folksong—for the first day of Christmas.

Using Christmas Seals lengthens the holiday spirit of giving—far beyond twelve days. It lengthens those days

into a relentless year-round struggle to combat emphysema, tuberculosis, and air pollution.

Partridges and pear trees are a symbol of generosity, good will, and joy. That is why they are this year's Christmas Seal.

If It Fitz...

Trials of an
Only Son

By JIM FITZGERALD

Everytime our son complains about having two sisters and no brothers, I tell him there are worse things that could happen to a kid.

For instance, I remind him, I have 4 sisters and no brothers.

"Gee," he always says, "How did you ever stand it?"

There will be a renewed discussion about how I stood it this Saturday when the Fitz sisters and brother have one of their rare get-togethers.

The occasion is the 44th birthday of Terrible Jean, my older sister who will probably beat me up for the 167th time for telling the world she is not 39.

CLOSE STUDENTS of this nonsense may recall that I have written before about Jean's birthday parties. Our mother is giving this one in Port Huron. Last year Aunt Florence was the hostess, and Aunt Madeline has done her share, too. No one ever gives me a birthday party. A sympathetic neighbor dubbed me "The Forgotten Man" when I was ten years old and nothing has changed since. At family reunions I often wear a name tag so relatives will quit asking me which one of the Fitzgerald girls I married.

When a person is invited to a birthday party for Jean, he is always told "Oh, don't bother bringing a gift. Unless you really want to." This means bring a gift or you can't get in. Jean and her husband usually rent a haul-away trailer to accommodate the loot.

Actually, only two of the four sisters will be at Saturday's party. Lynda, the youngest, is too far away. She lives in San Francisco where she is a secretary, her mother thinks. But everytime a newspaper publishes a picture of west coast hippies, Mother peeks at it from between her fingers. And Nancy, the second youngest, is pregnant and immobile in Cincinnati.

(My three married sisters will soon have a total of 14 kids, none old enough to vote for the president of the freshman class. I think the girls exchange weekly encyclicals with the Pope).

But Terrible Jean and Worse Mary Lou will be present and that will be more than enough to remind me of the deprivations of my childhood.

I HAVE often related how muscular Jean abused me physically to the point where I grew up with an Amazonian complex. I remember, as a small boy, how surprised I was to learn that Joe Louis was not short for Joan Louis. Mary Lou was a different problem. She was two years younger than I, so my job was to take care of her while Mother played bridge. Mary Lou was continually walking in front of cars or falling down riverbanks. She had so many narrow squeaks she turned grey when she was eight years old. And every time Mary Lou skinned a knee or shed a tear, I was in trouble for "not watching your little sister." Even today, when she stumbles I flinch and tell Mother I'm sorry, please don't hit me.

All of which I tell my son when he complains about a paltry two sisters. But I got a letter the other day which reminded me there's a big advantage to being an only son. The letter came from Clare Sperry, a Port Huron man I've never met. But he'd read something I wrote and he began his note: "You are Eddie Fitzgerald's son, aren't you?"

AND BOY, that rang a bell. When I was a kid, strangers were always looking at my Irish mug and saying things like, "With that face, you must be Eddie Fitzgerald's son."

And I was. The only one he had. And man, I was proud of it. It seemed like my dad knew everybody in town and it sure made a kid feel good to be the only guy who looked just like him. It still makes me feel good.

So there was the advantage to being an only son: It was a grand feeling none of my smartie sisters could enjoy.

I won't tell my son about this advantage but I sure hope it occurs to him some day.

WISH I'D SAID THAT

Arnold, 73, Attends Weekly Art Classes

BELLEVILLE—George Arnold, 73, retired Belleville resident, who presented Mrs. George Romney, wife of Michigan's governor with one of his oil paintings so that it could be sold for the benefit of the Republican Party's fund raising effort, is attending two painting classes each week in Ann Arbor.

One of the classes is for Senior Citizens and taught by Mrs. Margaret Chapin, well known Ann Arbor artist and the other class is a private class taught by Professor Guy

Palozolla of the University of Michigan. He is a member of the Ann Arbor Art Association.

Three of Arnold's pictures recently received favorable mention in a report by Jean Slusser, art editor of the Ann Arbor Press.

Arnold is a graduate of Purdue University and a retired mechanical engineer. He retired several years ago after 38½ years with Michigan Consolidated Gas Company.

A previous published report that Arnold won many prizes in shows at the University of Michigan was in error.

MR. AND MRS. J. RICHARD GLICK

SHEILA WILSON WEDS Glick-Wilson Nuptials Read At Romulus Methodist Church

The community Methodist Church in Romulus was the setting for the October 19 wedding which united Sheila Ann Wilson and J. Richard Glick. The couple's parents are the Robert Wilsons, of Porter street, Romulus, and the Norman Glicks, of Belleville, Pennsylvania.

Traditional wedding music filled the sanctuary for the candlelight service, with Miss Linda Askew as soloist. Reverend Leineke officiated at the double ring ceremony before an altar bedecked with formal bouquets of fall flowers.

Preceding their sister to the altar as bridesmaids were Sharron and Jacqueline Wilson and Carol Wilson as maid of honor. With their gowns of ivory satin and emerald green velvet they carried bouquets of ivory chrysanthemums with ivy entwined with green velvet. Their veils of green were secured with velvet crowns.

THE BRIDE was radiant as she approached the altar with her father. The crystal and pearl trim of her white silk gown was repeated in the petal-shaped crown which secured her veil of French illusion in place. White roses made up her bridal bouquet.

Richard asked his lifelong friend, Harry Leeper, of Port Huron, to be his best man. His brothers Robert and James,

with Robert E. Wilson, Jr., brother of the bride, and Larry Hamrick, served as ushers.

Mrs. Wilson chose an ensemble of Dior blue with matching accessories for her daughter's wedding. Her corsage of orchids was tied with velvet in the same hue. Mrs. Glick's dress of autumn gold was complemented by a corsage of Cattleya orchids.

After the seven o'clock ceremony the bridal party and friends formed a motorcade to the Metropolitan Airport Hotel. Candelabrum with flowers of white decorated the Presidential Parlor for the dinner reception for 150 guests. Among those attending

from out of town was the bridegroom's paternal grandmother from Belleville, Pennsylvania.

The newlyweds returned from their wedding trip to take up residence in Lewistown, Pennsylvania, where he is employed by the State. Prior to her marriage Sheila attended Eastern Michigan University and was employed by Unistrut Corporation in Wayne.

Several members of the Wilson family journeyed to Pennsylvania to attend a reception given there by the bridegroom's parents on November 2. Two hundred guests attended the happy affair.

Ann Souva Honored At Two Showers

About 30 ladies, relatives and friends gathered at the Irvin Icenogle home on Huron River drive South Wednesday evening to fete Ann Souva, of South Rockwood, at a miscellaneous bridal shower.

The party was given by Mrs. Icenogle and a long-time friend of the family, Mrs. William Wilson, of Wyandotte.

Guests enjoyed playing buncos for which many lovely awards were given. Following lunch, served buffet style, the honoree opened her many pretty gifts. Shower colors were red and white.

Sunday afternoon the bride-elect was honored by her side of the family at a shower given at the Oddfellows Hall in Flat Rock. The hostesses were her sister and her bridesmaids-to-be.

About 100 friends and relatives attended. The ladies played bride's bingo and enjoyed a buffet lunch. They also watched the happy bride-elect open her many pretty packages.

Miss Souva will become the bride of Bruce Icenogle of Romulus, on February 28.

BPW To Meet At Edgemont School

The December meeting of the Belleville Business and Professional Women's Club will be held at Edgemont School Monday, December 2.

At this meeting the feature will be gift wrapping for very young children. Each member is to bring a one dollar gift for a child four years of age or younger and also wrapping necessities.

Each fall something like 30,000 geese and 50,000 ducks visit Lake Texoma in Texas and Oklahoma, where man has created a haven for wildlife.

MISS MERRELL

February 8 Is Couple's Altar Date

A February 8 wedding at St. John's Catholic Church, Ypsilanti, is being planned by Lynda P. Merrell and Philip De Stefano. Their betrothal is announced by Mr. and Mrs. Robert W. Merrell, of 8570 Moms drive, Belleville, parents of the bride-elect.

A graduate of Belleville High School in 1967, Miss Merrell worked as a fashion model for the J. L. Hudson Company in her senior year and for one year was an employee of the University of Michigan at Willow Run. She is currently serving with the Women's Air Force at Eglin Air Force Base, Florida.

Her fiancé, son of Mr. and Mrs. Carl De Stefano, of 105-83 Avenue L, Brooklyn, New York, holds the rank of sergeant in the U.S. Air Force. Medical Corps at Eglin Air Force Base.

Greens Market December 5 At A.A. City Club

It's time again for the annual Greens Market sponsored by the Ann Arbor branch of the Woman's National Farm and Garden Association from 10 a.m. 'til 4 p.m. on Thursday, December 5, at the Women's City club, 1830 Washtenaw Ave.

The 19th annual project will offer many varieties of fresh greens for the "do-it-yourself" enthusiasts as well as expertly finished wreaths and centerpieces for the busier shoppers! All gift givers will find a varied display of Christmas creations that range from kiddie delights to appealing keepsakes.

A salad luncheon will be served from 11:30 a.m. 'til 1:30 p.m. for which no reservation is necessary.

Proceeds from the Farm and Garden project will help finance the Club's activities throughout the coming year. The Greens Market benefits the horticultural therapy program at Ypsilanti State Hospital and many other worthy civic causes.

There are more than 13,100 licensed nursing homes with 705,861 beds in the U. S. In addition there are nearly 6,000 related facilities providing personal care to an estimated 150,000 persons, according to the Michigan Nursing Home Association.

CHRISTMAS ITEMS — "Christmas for Kids — of all Ages" (this year's theme for the Methodist Church Bazaar) rang true as this picture shows. Making a purchase at the Christmas booth operated by Mrs. Pat Greathouse (rear) is Mrs. James Fitch (center) shown with her three daughters, Cindy, Holly, and Pam. At their left is Mrs. Dorothy Ward and at the right are Len Dethloff and Mrs. Dorothy Merritt. Booths were sold out early as area residents flocked to the annual event which included a businessmen's luncheon and roast beef dinner.

LUNCHEON LINE — Arriving last Thursday for the luncheon served during the Methodist Church's annual bazaar were (left to right) John Kause and his mother, Mrs. Eunice Kause, Mrs. Helen Pierman, Mrs. Mary La Boeuf, and Mrs. Pat Speaks. Serving in the cafeteria line were (left to right) Mrs. Carnahan, Mrs. Zula Hopson, and Mrs. Gladys Mast.

Christmas Traditions Told At Jr. Study Club Meeting

Meeting Wednesday, November 20, in the library of Belleville Junior High School, the Junior Study of Belleville welcomed members of the Woman's Study Club as their guests for the evening.

Mrs. Sandra Hagman came out from Detroit to represent the Michigan Consolidated Gas Company and to present a program on unusual Christmas baking customs of other countries. The legend of Holland's "Black Peter" as well as traditions from Austria, Italy, Greece, Germany, the Scandinavian countries, England, Scotland, France, Mexico and the United States were explained.

She exhibited a selection of cookies, candies, coffee cakes and desserts packaged in

"dressed up" items found around the home — meat trays, juice cans, plastic bottles, shoe boxes, cottage cheese containers, etc. — as well as inexpensive practical containers easily found in local stores.

BETTY SCHWEHR, Junior Study Club president, welcomed the group which included three visitors, Mrs. Lida Jane Merriam, Dena Cicotte and Bonnie Moon. Secretary Shirley Hennells read an invitation from the Woman's Study Club to attend their December 11 Christmas party at Girlstown.

The evening closed with a social hour, dessert and punch served by Avis White, Sharlene Tator and Phyllis Smith, who was the recipient of the Gas Company's door prize — a ceramic piggy bank.

MISS SYKES

Couple Plan June Wedding

Mr. and Mrs. James Sykes, of 18070 Savage road, Belleville, are announcing the engagement of their daughter, Marlene, to Richard Clark, son of Mrs. Aileen Clark, of 5821 Beck road, Belleville, and the late Thomas Clark.

Miss Sykes is in her senior year at Belleville High School where her fiancé graduated in 1968. He is currently employed at Bathey Manufacturing Company, Plymouth.

A June wedding at St. Stephen's Catholic Church, New Boston, is being planned.

TWO FOR JANE

JANE KEELAN, who's to be married December 7 to John Kinzinger, was the honoree at two recent bridal showers. Both tagged "miscellaneous", the first was hosted by Janet Kinzinger and Vickie Good at the home of Mrs. "Bud" Kinzinger of Ecorse road. About 15 of the prospective bridegroom's relatives and friends attended and enjoyed bridal theme games followed by dessert. Vickie is to be one of Jane's attendants.

The second party, held Sunday, November 10, at the Township Fire Hall near Ypsilanti was given by Evelyn Gotts, of Ypsilanti, and Sharon Keelan, of Inkster, who'll serve as matron of honor at the wedding.

Some 20 friends and relatives answered invitations and sat down to card bingo followed by a lunch of frosted sandwich loaf, little cakes, and all those goodies which go with bridal showers.

Decorations in red and white carried out the color scheme of the wedding and the buffet table was centered with an arrangement of paper roses and tall red tapers. Focal point of the gift table was a silver branch embellished with tiny plastic parasols.

The United Methodist Church of Belleville is being reserved for the young couple's wedding ceremony.

HUNTERS RETURN

OPENING DAY of the season proved to be the lucky day for Mike Remus who downed a beautiful 10-point buck weighing about 200 pounds. Mike didn't have to travel very far for his trophy either since he, his dad, Jerry Remus, and brother, Dave, chose the Pinckney Recreation area as their destination. This past week-end Jerry and Dave returned to the location with Dave Clemons who put his tag on a nice six-pointer. ALSO BRINGING home the venison was Walter Schroeder, of Savage road, who with his son, Mike, hunted in Gladwin County. Making the trip with her husband, Dorothy and her younger son, Jeff, kept things cozy at the Schroeder's cottage on Secord Lake, for the week-end sojourn. Walter also spent the first week of the season in the same area. PITCHING TENT near Kalkaska, Bob and Mary Bole and their daughter, Linda, and Richard and Phyllis Smith camped out for the hunting week-end. Bob, who had a doe permit, brought home "meat for the freezer" when he shot his deer near Traverse City. FELLOW HUNTERS for the past 14 years, Ray Weber and Bert Smith asked Kenn De Hate, of Taylor, to join them on their trip to the Upper Peninsula this year. Their regular campmates couldn't get away this season to prowling the north woods. Setting up their camp site near Ewen, the threesome brought home a four-point buck which Bert bagged on opening day. JACK MOSORA hunted near Grayling with good friends from the Allen Park area and although Jack didn't get his buck, there were four in his group who did. THE TRAVERSE CITY region was the hunting spot for Art Martin, of Traverse street, who stayed with his brother and wife, the Eddie Martins, during his week-long sojourn.

TURKEY TIME

FAMILIES WILL sit down to dinner together tomorrow to share their Thanksgiving fare with each other and to count their blessings of the past year. Among those who are entertaining tomorrow are Ray and Lil Weber, of Expressway drive, who expect some 20 to 25 at their well-laden table. Guests will be members of Ray's family from Belleville. THE LIEBELERS — Lieb, Gwen and Ray — of Ormond drive, have invited their good friend, Marge Roberts, to join them for their holiday dinner. John will miss out on his American holiday this year since he's on a flying assignment to Europe. THE FAY Fergusons, of Judd road, are looking forward to having their two sons and families over for turkey and the trimmings. Roger and Diane Ferguson and children and Richard and Barbara Ferguson and daughter will sit down to dinner with them, as will their neighbor, Miss Ethel Paar. Later in the day the Roger Fergusons will have supper with Diane's folks, the Arthur Shephards, and Brian, of Elwell road. BARB AND JIM Lewis have asked her parents, the John Bokons, Kathy and Johnnie, to be guests at their home on Judd road for the day. MRS. MARY HARVEY will play hostess tomorrow for Thanksgiving dinner at her home on West Huron River drive. Her two daughters and their families, Louise and Irv Czajkowski and children and Bev and Art Martin and their foursome, will share in the holiday goodies as will Mrs. Harvey's mother, Mrs. Catherine Chrobak.

BACK IN U.S.A.

MARSHALL HOPE is back in Belleville after a six weeks absence. Spending the time in South America, Captain Hope was signed by Chrysler Motors of Detroit to fly their special staff to four countries south of the border. Last summer, Marshall spent nine weeks on the same assignment which covered 14 countries — this second trip being the completion of the program.

The plane he pilots is called a Flying Training School and touches down mainly in the capitol cities and larger areas of the continent. Car dealers and their mechanics board the aircraft for informative classes taught by the Chrysler staff. This last trip covered some 42,000 miles.

PARTY TIME

CAPTAIN AND Mrs. Robert Marble, of Kozma road, entertained a number of friends and relatives Saturday evening at a reunion party for the group which week-ended in September at Sandy Shores Estates on Elk Lake. Driving down to join in the fun were estate owners, Glenn and Frances Evans, and coming in from Flint was Marian Diedrich. It being Marian's birthday, the group had double cause for celebration and enjoyed a special cake made by Barb Diedrich who attended with her husband, Dick.

Others, competing in charades and snacking on a variety of canapés and hors d'oeuvres topped by a midnight pizza supper, were the Steve Tkachuks, the Steve Kozmas, Jim and Barb Lewis, John and Clara Bokon, and Elwood and Anne Davie, all from here; the Mike Diedrichs, of E. Detroit; Brad and Terry Kozma, from Ann Arbor; Brian Kozma and his date, and the Bob Kozmas, from Wayne; Bonnie Diedrich, Kathy Nowak, and Julie Tkachuk; and Mrs. Michael Kozma, who came solo since her husband, Supervisor Kozma, was in Spain with the Wayne County Supervisor's Association.

MISS MILD

Sandra Mild To Marry Eastern Airlines Pilot

Former Belleville residents, Mr. and Mrs. Leonard E. Mild, of Portola Valley, California and Ypsilanti, Michigan, have announced the engagement of their daughter, Sandra Elizabeth, to Timithin Durst Ehliens, son of Mr. and Mrs. Robert H. Ehliens, of High Valley Farm, Purcellville, Virginia.

The future bride attended Wilkins Private High School, in San Francisco, for three years and graduated from Charles D. Owen High School, in Black Mountain, North Carolina. She received her Associate of Science degree in 1966 from Montreat-Anderson College, Montreat, North Carolina, and is currently serving as a stewardess with Eastern Air Lines out of Washington, D. C.

Her fiancé, a graduate of Palmetto High School, Miami, Florida, received his Associate of Science degree in 1966 from Montreat-Anderson College. He earned his teaching degree at the University of Tennessee in 1968 and is currently employed as a pilot for Eastern Air Lines based in New York.

The couple plan a spring wedding in Belleville.

December Bride-Elect Is Honored

Hostesses for a miscellaneous wedding shower honoring Miss Carrietta Pierman, Friday evening, November 22, were Mrs. James Beck and her mother, Mrs. Chauncey Schweigert, held at the latter's home on Elwell road.

Decorations for the occasion were red and white streamers, an open parasol, and a group of bells centered over the dining room table where the gifts were displayed. The guest of honor was also given a red and white corsage.

Relatives and friends, 23 in all, enjoyed an evening of pencil and paper games with awards being given to Mrs. Frank Beasecker, Laurie Post, and Faith Pierman.

Carrietta was assisted in opening her many useful as well as lovely gifts by her sister, Faith. She will become the bride of John D. Post in a ceremony at the United Methodist Church on Saturday, December 21.

'Farewell'

The Friendly Neighbors Farm Bureau group met Wednesday evening, Nov. 20, at the home of Mr. and Mrs. George Robson, of Tyler road, with 16 members present.

Topic for discussion was "Unionization of Farm Labor."

The group presented Mr. and Mrs. Edgar Kidd with a lace table cloth as a "going away" gift. They will be moving soon to a home near Ida where he will be working with Monroe County farmers.

The County-wide Christmas party and "pot luck" dinner will be held Saturday evening, December 7, at the 4-H dining hall at 6:30.

Pat Gonyaw Is Autumn Bride Of Thomas Budd

The United Methodist Church of Belleville was the setting November 2 for the ceremony which united Patricia Marie Gonyaw and Thomas Randall Budd in holy matrimony. The double ring nuptials were read by the Rev. Allen B. Rice, II, in an evening service which was followed by a reception at the Ford Local Hall on Ecorse road.

Pat is the daughter of Mr. and Mrs. Ervin Gonyaw, of 40400 Robbe road, Belleville, and Tom is the son of Mr. and Mrs. Jack Budd, of 42510 Expressway, Belleville.

WALKING TO the altar with her father, the bride appeared in her own creation of white satin styled with a lace neckline and bell sleeves. Her veil of silk illusion fell in three tiers to mid-back length from a crown headpiece of pearls and crystals. Completing her bridal finery was a bouquet of white roses.

The bride's sister, Donna Gonyaw, and Marti Hanson, of Belleville, were maid of honor and bridesmaid, respectively. Handfasted, their matching frocks were of red velvet accessorized by old-fashioned ribbon headgear and bouquets of red roses and white carnations.

Wearing a miniature version of the senior attendants' dresses, little Kimberly Schmidt, the three year old daughter of the Richard Schmidts, of Plymouth, served as flower girl. She walked up the aisle with two-year old Jimmy Budd, son of the William Budds, of Belleville, who was dressed in a red velvet jacket and short pants for his role as ringbearer. The children are the bridegroom's niece and nephew.

RON CLARK was asked to serve as best man and ushers were Randy Budd, Bill Budd, and Allen McRae. For her daughter's wedding Mrs. Gonyaw chose a pastel pink three-piece knit suit while Mrs. Budd donned a blue two-piece suit. Both added harmonizing accessories and corsages of matching carnations and roses to their ensembles.

A 1967 graduate of Belleville High School and Virginia Farrell's School of Cosmetology, Pat is now employed by "Artiste" beauty salon in Westland. Her husband, a 1964 Belleville High alumnus, is employed by his father on the Budd's Holstein Farm. Since their short honeymoon to Canada and Niagara Falls, the newlyweds have made their home at 43270 Expressway, Belleville.

Students' Projects Aid Bazaar

ROMULUS — Joy! Cooperation! Initiative! These attributes can all be found within Saint Aloysius School, as each classroom works on their individual projects for the annual Christmas Bazaar.

Angels to dusters, centerpieces to gingerbreadmen are items which will certainly excite everyone shopping for Christmas gifts with a personal touch.

Equated with this industrious spirit is the actual goal for which these "elves" work, namely, Educational T.V. This project was initiated because of the great need of exposure to experiments, new ideas and updated material encompassed through the changing trends of modern education.

Spurred on by the example of youth, be the first on your block to come to Saint Aloysius School Hall, Dec. 1, from 8:30 a.m. to 6 p.m. and purchase your Christmas surprises, designed for young and old alike.

Church Announces Speaker

BELLEVILLE — Jim Stoutenborough, from Murfreesboro, Tennessee, will be the guest speaker at Bethany Baptist Church, 810 East Huron River Drive, Sunday Morning, Dec. 1. Stoutenborough was in charge of a very successful youth rally in Flint for many years. He was in charge of youth and music in a church in that area for about five years. He now lives on the Bill Rice Ranch Tennessee, and is the assistant to Dr. Bill Rice, well known evangelist.

Stoutenborough is the sonleader for Dr. Rice, who will be the speaker at an area-wide crusade which will be held at the Willow Run High School Auditorium, Dec. 1-15. Everyone is invited to come to the service at 11 a.m. by Rev. A. B. Sprunger, pastor.

"ELVES OF ST. ALOYSIUS" — The annual Christmas bazaar to be held at St. Aloysius School Hall (Romulus) on Dec. 1, will feature individual projects constructed during classroom sessions by students at St. Aloysius School. Above are a group of students displaying some of their individual efforts that will be available for Christmas shoppers looking for a gift with a personal touch.

Come To Church Sunday

JOIN US AT OUR ANNUAL THANKSGIVING DAY SERVICE

Gratitude to God is foundational to Christian Science. The annual Thanksgiving Day service gives public opportunity to express it - for both individual and national blessings.

For almost a century, Christian Science churches have held Thanksgiving Day services. The ageless word of the King James version of The Bible, and correlative selections from the Christian Science Textbook, are read. There is a time of prayer. Then follows a period during which any member of the congregation may voice his gratitude to God. (No collection is taken.)

Won't you come too?

Adherents of Christian Science are demonstrating its blessings every day. They are learning that God is all-power, all good, and ever-present. They are learning that man is one with God. No wonder they are grateful.

Women's Division Of Round Table To Meet December 4

December 4th marks the annual holiday meeting of the Women's Division of the Detroit Round Table to be held at Beth Abraham Synagogue, 8100 West Seven Mile road at Greenlawn, in Detroit. This is eight blocks west of Livernois. A social hour during which coffee, tea and cookies will be served from 12:15 until 1:00 will precede the program.

groups in colorful native dress will explain their customs and interesting holiday observances.

Mrs. Harry Theisen, President of the Women's Division, stated that this was the largest display in the history of this particular program and added that all interested women whether members or not are welcome.

Gouger Serving In Vietnam

BELLEVILLE — PFC. William D. Gouger, Jr., son of Mr. and Mrs. William D. Gouger, Sr., of 10441 Rawsonville Road, is now stationed at Tan An, southwest of Saigon, Gouger arrived in Vietnam on Oct. 29, 1968.

He enlisted in the Army in March, 1968 and took his basic training at Ft. Leonard, Mo., followed by advanced training at Ft. Hood, Texas.

He is a graduate of Lincoln High School and attended Summer Session at Eastern Michigan University.

Book on Detroit's Candidate For Sainthood to be Released

The first book to be written on the life of Detroit's first candidate for Sainthood in the Catholic Church will be published this month.

The book tells the life story of Capuchin Father Solanus

Casey who came to St. Bonaventure's Monastery on Detroit's near east side in 1924.

He spent 21 years receiving callers at the monastery door and it was during these years in Detroit that his beautiful life unfolded itself.

FATHER SOLANUS CASEY became known to thousands for his never-ending efforts to help the hungry and troubled of all races and creeds. When he died in 1957, more than 15,000 people filed past his simple bier and 2,500 people tried to press into the small monastery chapel for the final homage.

The governor was there and the Detroit Common Council drew up a resolution of tribute.

The book by James Derum, is entitled "The Porter of St. Bonaventure's." The title refers to the work of receiving visitors at the monastery door that the humble Capuchin priest performed for so many years.

The book was researched over a six-year period and begins with Father's early years in Wisconsin. It traces the events which led him from jobs as a lumberjack, a streetcar

conductor and a prison guard to the work of a priest in the Capuchin Order.

IT COVERS his 53 years as a Capuchin priest humbly serving God and man in Capuchin Monasteries in New York, Michigan and Indiana. It also details the personal accounts of men and women who attribute physical and spiritual cures to the intercession of Father Casey.

The book is being distributed by the Father Solanus Guild. Proceeds from its sale will be used to promote the Father Solanus Guild and further the work and cause of Father Solanus Casey.

The preparation of a cause for consideration for sainthood in the Catholic Church takes much research and must be carefully documented.

Capuchin Father Paschal Siler, Vice Postulator for the cause of Father Casey, said that Archbishop John F. Dearden of Detroit would be approached in 1969 and asked to form a Diocesan Tribunal.

This Tribunal will investigate the life of Father Casey on a local level. This is the beginning of a number of processes which must take place in order to determine the sanctity of his life.

Officials Urge Early Purchase of Plates

License plates for Michigan passenger cars went on sale at all branch offices of the Secretary of State and at many AAA offices throughout the state on Nov. 15. Local officials urge early plate purchases and avoid long waiting lines later.

All plate buyers are asked to bring along the prepared license plate applications sent out to virtually all of Michigan's 3.6-million passenger car owners.

"These applications make it much easier for the public to buy plates and are especially important this year because they have the new license plate fees listed on them," said Secretary of State James M. Hare.

He reminded that weight tax was increased by legislation during the extra session of 1967 as part of a "good roads" package of bills.

"Actually, the increase from 35 cents to the new formula of 55 cents per hundred pounds of vehicle weight is a roll-back to weight tax fees in existence in 1933," explained Hare. "They were 55 cents before that time but were pushed

back to 35 cents during the depression. And they have remained at the low rate until this year.

WHAT DO plate buyers need when they buy their plates?

- Certificate of title or previous year's registration.
- Proof of liability insurance, insurance certificate, insurance policy, or other type of proof.
- Cash to pay the plate fee.
- An extra \$1.00 if the vehicle is covered by liability insurance. If not, the person must pay \$35 into the Motor Vehicle Accident Claims Fund and register as an uninsured driver.

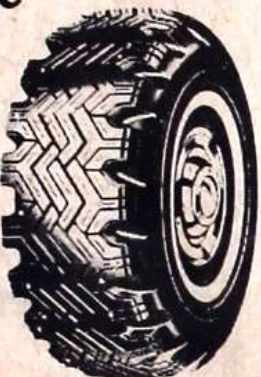

Slogan on all passenger plates remains the same as last year, "Great Lake State." Commercial license plates, on sale since Oct. 1, have no slogan with the space used for the gross vehicle weight tax sticker.

The 1969 plates have white numerals on a red background. They honor Saginaw Valley College, which was founded in 1963 and became the 11th state supported college in 1965.

Park Authority Schedules Winter Sports Facilities

The four major parks of the Huron-Clinton Metropolitan Authority will offer the following facilities for winter recreation during 1968-69.

Kenneth L. Hallenbeck, authority director, said that when Michigan's winter weather arrives the following operations will begin:

LOWER HURON METROPOLITAN PARK near Belleville. This attractive site along the Huron River has its

entrance on Hannan road just 1/4 mile south of the Willow Run Expressway (I-94) via Haggerty road interchange between Detroit Metropolitan Airport and Belleville.

Three natural rink surfaces are provided at inter-connected ponds, located in a ravine where skating is permitted until 11 p.m. daily, weather permitting. Recorded music, light and wood for rinkside fires are provided. Nearby are heated restrooms.

For ice conditions call Belleville, 699-2921.

METROPOLITAN BEACH on Lake St. Clair near Mt. Clemens is one of the most popular perch fishing sites in southeastern Michigan where fishermen use the canals, boat basins, and ice along the Black Creek, as well as Lake St. Clair. There are also facilities for ice skating with two rinks, one for beginners and one for general skating.

A 6,000-car parking lot provides ample space for parking and there are heated restrooms in the Marina Building at the small boat basin and at a comfort station near the large boat basin. Ice skating is permitted until dusk daily and to 10 p.m. on weekends, weather permitting.

Food service, a warming shelter and restrooms are provided near the rink. The food bar is open daily from 10 a.m. to 5 p.m.

For ice conditions call 963-3022 (Detroit) or 463-4581 (Mt. Clemens).

STONY CREEK METROPOLITAN PARK near Utica offers ice fishing, ice skating, sledding and hiking areas throughout the 3,500-acre recreation site. Panfish, bass and pike inhabit

the Stony Creek Lake.

Ice skating will be available at the Winter Cover Picnic Area, which has a warming shelter and heated restrooms.

Three sledding areas are provided. These are Oakgrove and West Branch Picnic Areas and on the high hills near the Park Office which can be reached by taking the Exit Road south as persons leave the park.

The park is located six miles north of Utica and near the village of Washington. To reach the park entrance take the M-53 (Van Dyke) Freeway around Utica and proceed north to 26 Mile road and travel west 2 1/2 miles.

For information on ice and snow conditions, phone 781-4242 (Washington exchange).

KENSINGTON METROPOLITAN PARK near Milford is one of the most popular areas in southeastern Michigan and has facilities for tobogganing, skating, sledding, ice fishing, hiking and picture taking.

Catches of bluegills and crappies are taken by the many fishermen who enjoy ice fishing on Kent Lake. Skating is provided on Kent Lake in front of the Boat rental building from 10 a.m. to 10 p.m. daily. This building has a heated lounge with a fireplace, restrooms, and vending machines. It is open from 10 a.m. to 10 p.m. Food service is available on Saturday and Sunday from 10 a.m. to 10 p.m. and Monday through Friday from 2 p.m. to 10 p.m.

Ideal for sledding and tobogganing are the hilly slopes at the winter sports area which has an enclosed warming shelter with a fireplace and tables. There are five toboggan tracks and a separate area for sledding. The area is open daily from 8 a.m. to 10:30 p.m. weather conditions permitting.

For ice and snow conditions call 685-1561 (Milford).

SONG LEADER — Dr. Richard R. Muse, member of Van Buren Township School Board and Rotarian, shown leading the singing at the joint meeting of Belleville Kiwanis and Rotary Clubs held at United Methodist Church Hall, Nov. 19. Some 75 club members participated in song.

Village Planning Many Christmastime Extras

The days between Thanksgiving and New Years will be ones of mounting activity at Henry Ford Museum and Greenfield Village. That activity will range from quietly elegant Christmas exhibits through a fully mounted stage production.

After the traditional Thanksgiving Day closing, the Museum and Village will reopen on Nov. 29, with special run of the Famous Early Movies in the Museum Theatre.

At 1 p.m. and 3 p.m. Friday and Saturday, and at 2 p.m. and 4 p.m. Sunday, Museum visitors may see "The Adventures of Tom Sawyer" and "Movie Star Mickey" at no additional charge.

ST. NICHOLAS DAY, Dec. 6, will mark the opening of the Museum's holiday exhibit of "Nativity Scenes and Figures." That special showing will include groupings and figures that date from the recent past to about 100 years ago.

The exhibit will also contain related objects such as a Chinese export plate that portrays the nativity. That exhibit will remain on display through Jan. 5.

Several of the historic homes of the Village will sparkle with traditional Christmas finery that represents the style of the era of each house. This display begins Dec. 13, when once more visitors may experience "Christmas at Greenfield Village."

Along with guided tours of the homes and other buildings, those visitors will find appropriate music of the season playing in the decorated buildings, and they will conclude their tour with a stop at the 19th century Clinton Inn for hot spiced cider and Christmas cookies. To top off the tour comes a carriage or sleigh ride from the Inn to the Village gate house.

Rounding out the holiday extras at Greenfield Village will be the most ambitious production yet undertaken by the Village Players. From Dec. 20-28, they will present a series of matinee and evening performances of "Peter Pan" in the Museum theatre.

The Village and Museum will close Thanksgiving, Christmas and New Years Day only, but all of the other days throughout the holiday season will radiate much of the background, excitement and spirit of Yuletide.

AT INKSTER MEET

TALUS to Present Growth Proposals

INKSTER — A group of Inkster citizens will participate Dec. 4 in a discussion that will influence the future of the entire Southeast Michigan (SEM) region.

Irving J. Rubin, director of TALUS (Detroit Regional Transportation and Land Use Study), will explain the study, discuss alternative growth proposals, and then will listen for response and suggestions.

"We want to involve people from all walks of life in the planning process," Rubin said.

INVITATIONS HAVE been extended to members of boards of education and PTA leaders to participate in the discussion at 7:30 p.m., in the Inkster City Hall.

Arranged by Clyde Hamlin, Inkster Councilman, the meeting is one in a series that will be held throughout the region during the winter months. Others will be arranged for other interested Inkster Officials and groups.

TALUS, a special project of the Planning Division of the

Southeast Michigan Council of Governments (SEMCOG), is a 4 1/2-year, \$4.8 million study to develop a plan for the seven counties of SEM.

Rubin calls TALUS "one of the most comprehensive and intensive studies of human behavior ever undertaken in any metropolitan area."

TALUS DATA concerning living patterns and travel habits of SEM residents, obtained in 250,000 TALUS interviews, has been used to prepare a profile of the region — what SEM residents are like, and what the SEM region is like — and as a base for projections of conditions in 1990.

The primary purpose of the meeting will be to learn how citizens feel about regional growth proposals.

Rubin will describe TALUS findings and the implications of five alternative generalized growth patterns developed by TALUS.

Citizens will be asked to voice their opinions and to raise questions about the implications of the proposals.

Assistance for Widows

An estimated 3,901 Michigan widows of veterans who died as the result of military service will be eligible for up to 36 months of educational assistance from the Veterans Administration, beginning Dec. 1, Robert M. Fitzgerald, manager of the VA's Regional Office, Detroit, announced.

He pointed out that starting Dec. 1, the wives of Michigan's 3,222 totally and permanently disabled veterans will also be entitled to VA educational assistance payments of \$130 a month — up to a maximum of 36 months — for full-time institutional training.

The allowance for three-quarters time training is \$95 a month, with \$60 being paid for half-time training under the new law granting these widows and wives VA educational help for the first

time in the history of veterans benefits in the United States, Fitzgerald said.

WIDOWS AND WIVES now eligible for this benefit will have until Dec. 1, 1967, to complete their training under this new program, the manager explained.

He said that women who become eligible in the future for VA educational assistance due to the service-connected death or permanent and total disability of their husbands have eight years in which to complete their training.

Eligibility of widows and wives does not depend on when their husbands served in the Armed Forces. However, it was pointed out, if a widow remarries or a wife divorces her disabled husband, she loses her entitlement.

Many Cars and Stars Await Visitors to Detroit Auto Show

DETROIT — There'll be plenty of cars and plenty of stars at the 53rd Detroit Auto Show opening Saturday, Nov. 30 at Cobo Hall.

The cars will include 300 domestic and imported passenger cars, recreational vehicles, campers, experimental and show cars.

And the stars will include Detroit Tiger pitchers Denny McLain and Mickey Lolich, wearing their "show business" hats, and a host of headlines from the sports and entertainment worlds.

The Auto Show will open at noon daily, Nov. 30 through Dec. 8, closing each night at 11 p.m. One of the largest automobile exhibits in the country, the show will cover 300,000 square feet in Cobo Hall, with a special 1,500-seat theater in Hall D for the twice-daily free stage show.

HARRY TENNYSON, Livonia Chevrolet dealer and chairman of the auto show committee for the fourth straight year, has predicted a record crowd of 300,000 for the 1968 show. Tennyson based his prediction on "the tremendous increase in advance ticket sales," which so far have been running about 400 percent ahead of last year. The 1967 Auto Show drew a record attendance of 253,000.

The Auto Show is sponsored annually by the Detroit Auto Dealers Association, made up of 250 franchised new car dealers in the Metropolitan Detroit area.

Tennyson pointed out that, for suburbanites, parking lots in the vicinity of Cobo Hall can

accommodate 8,000 cars evenings, and 9,000 to 10,000 Saturdays and Sundays.

All of the American automobile manufacturers will be exhibiting at the Detroit Auto Show, along with 20 import makes.

Special exhibits will include the 640-horse-power turbo-charged racer Bobby Unser drove to victory in this year's Indianapolis 500; The Invader, the only double-engine roadster in the world; The Sand Dragon, a futuristic front-wheel drive roadster; and other experimental cars with "way-out" design.

PITCHING STARS McLain and Lolich will appear with ventriloquist Jimmy Nelson, comedian-singer Paul Lennon, and Bob Durant and his orchestra at 4:00 and 8:00 P.M. daily in the Hall D theater.

Other celebrities on hand at the various exhibits will include Bobby Unser and Indy runner-up Dan Gurney; Miss America, Judith Anne Ford; Miss American Teen-Ager, Fran Gerten; plus Gates Brown, Bill Freehan, Willie Horton, Al Kaline, Jim Northrup, Joe Sparta, Mickey Stanley and Earl Wilson from the World Champion Detroit Tigers; and golfers Arnold Palmer, Byron Nelson and Sharron Moran; bowler Billy Welu; track star Jesse Owens; and Alex Karras and John Gordy of the Detroit

Lions football team.

"So you see, we'll have something for everybody," Tennyson pointed out. As an added attraction, each 50,000th visitor to the show will win either an \$800 mink stole or a \$500 Zenith color television set.

A special headline feature of the Auto Show will be the Industry Dinner Tuesday, Dec. 3 at Cobo Hall, with Michigan Senator Philip A. Hart as guest speaker, and with an award of honor presentation to automotive pioneer Charles S. Mott for his outstanding contributions to the auto industry.

Working with Mr. Tennyson on the DADA Auto Show Committee are: Doug Dagleish, Charlie Oldsmobile (9045 Livernois, Detroit), Chilton Drysdale, Drysdale Buick (9669 Grand River, Detroit), Lawrence Falvey, Falvey Motor Sales Company (2260 Woodward Ave., Ferndale), Homer Hargrove, LeBaron Motor Sales, Inc. (33073 Michigan Avenue, Wayne), Ed Schmid, Ed Schmid Ford (21600 Woodward Avenue, Ferndale), Howard Shaw, Start Hickey Ford (24600 Gratiot Avenue, East Detroit), Joseph Thompson, Thompson Chrysler-Plymouth (8421 Michigan Avenue, Detroit), and Boyce Tope, executive vice president of the Detroit Auto Dealers Association and show manager.

Williams' Concert Is Dec. 5

Andy Williams is something else. When the curtain goes up at 8:30 p.m. on Dec. 5 at Cobo Arena, there won't be any warm-up comic on stage. It'll be Andy himself opening the one-night concert.

Andy will have versatile composer and performer Roger Miller as his co-star. They'll trade spots to the accompaniment of a 32-piece orchestra.

Andy and Roger have promised a tight, two-and-one-half hour show. This will be the 16th performance these two old friends have staged. And wherever they've gone, they've broken the records Andy established with a former co-star, Henry Mancini.

At the Cobo Arena concert, Andy will open the show with a 20-minute spot, then Roger takes over for 40 minutes.

THE TWO performers, and the audience, will take a 10-minute intermission.

Then back to business as Andy appears for 35 minutes solo, then Andy and Roger do 20 minutes together, and a 25-minute solo close by Andy. This will be the second Fall-Winter concert appearance by the pair this year. They open their 1968 show the night before in South-Bend, Ind.

Tickets for the Dec. 5 concert are available at all J.L. Hudson Ticket Centers, the Metropolitan Detroit Grinnell Ticket Office, and from Cobo Arena Box Office, One Washington Boulevard, Detroit, Mich. 48226. All seats are reserved at \$7.50, \$6.50, \$5.50 and \$3.50.

OPENING DAY KILL — Henry Tkachuk, 41, of 38811 Wade, Romulus, displays his six-point deer shot at 7:30 a.m. opening day, Nov. 15. The 160-pound buck was shot at Iron Mountain, Upper Peninsula. Three other hunters in his group of four also scored on opening day.

County School Board Planning New Center

The Wayne County Intermediate Board of Education is planning a new Education Center building that will house their staff of educational consultants, Federal project personnel, and the Professional Resource Center.

Presently, the Wayne County Intermediate School District offices are in the Guardian Building at Griswold and Larned, the City-County Building (Room 301) at 2 Woodward Avenue, the Wayne County Library Headquarters Building in Wayne, Michigan, and a portable building (the ASSIST Center) at Venoy and Van Born Road in Wayne, Michigan.

To provide more effective and unified educational services for Wayne County's 39 local school districts, the Intermediate Board of Education has contracted for architectural services with

Eberle M. Smith Associates to begin planning the new Education Center.

Mrs. Helen Field, Mrs. Betty Becker, Carl Morris, Norman Stockmeyer and Ralph Johnson, Intermediate Board members, approved the Eberle Smith architectural contract unanimously.

SITE SELECTION for the new Education Center will be the main item for discussion at a special meeting of the Intermediate Board, called for Wednesday, Dec. 4, 1968, at 10 a.m. in Room 301 at the City-County Building.

Funds for the new Intermediate Education Center were made possible by Public Act 21 of the Michigan Legislature of 1966.

This act allows the Intermediate District to bond up to 1/10 of 1 percent of the state equalized valuation of the Wayne County Intermediate School District.

Huron Towers Purchased For Retired Educators

EAST LANSING — An \$8 million twin-tower apartment complex in Ann Arbor will shortly start becoming a home for retired Michigan educators.

Purchase of the 12-story Huron Towers, at 2200 Fuller Road, Ann Arbor, has been announced by the Michigan Education Home Association (MEHA), an affiliated organization of the Michigan Education Association (MEA).

The purchase was announced by Ray Lawson, Rochester High School teacher who is president of MEHA and Warren Bailey, MEHA executive secretary.

In the complex are 360 apartments with from one to three bedrooms, a large heated swimming pool, a covered three-deck parking garage, and several commercial establishments, including a beauty parlor, a gourmet store and a restaurant-lounge.

THE TOWERS are on the bank of the Huron River adjacent to the University of Michigan's north campus and across the river from the university's arboretum. The apartments are five years old and were designed for rental to University of Michigan faculty members and other professional persons.

The first of the new residents — retired Michigan teachers and their spouses — are expected to start moving in next May.

Funds for the purchase of the apartments are coming from contributions of MEA members and others, a portion of MEA dues earmarked for this purpose, from retired educators who will become

residents in the apartments, and from loans from MEA and MEHA members.

FINANCING OF the purchase has been arranged with the Federal Housing Administration by the Ann Arbor Trust Company.

Bailey said that MEHA plans one major change in the towers — the construction of dining facilities at the base of the east towers.

This project had its origin in an idea first advanced by Bay City teachers in 1959, for a retirement village for Michigan educators.

ROMULUS — George Stanton, 66, of 9520 Ozga was appointed sexton of Romulus Cemetery effective Monday.

His appointment by the Township Board was unanimous and was on motion of Trustee Jimmie Raspberry.

SAYS PRESENT WAY OBSOLETE

Congressman Bill Ford Calls for Study of U.S. Election System

WASHINGTON, D. C. — Congressman William D. Ford (D), 15th District, called this week for a thorough study of this nation's presidential election system, following what he termed a "near catastrophe" in the Nov. 5 election.

"Few Americans realize how close this nation came to one of the worst constitutional crises in our history," Congressman Ford said. "The shift of a relative handful of votes in certain states could have caused our entire election process to break down in chaos."

Congressman Ford declared that the present Electoral College system has become obsolete, and should be either eliminated or drastically changed.

"I am not sure that direct election of the President is the answer to the problem," Ford continued. "But it is certainly time that the present system be given a thorough study in light of what recently happened."

"THE NEARLY 10,000,000 popular votes and 45 electoral votes which were given to George Wallace indicate that the third-party threat will remain with us for a while. Had neither Mr. Nixon nor Mr. Humphrey received a majority

of the electoral vote, I shudder to think what could have happened. We would have faced the prospect of outright bargaining for electoral votes, and "horse-trading" for the Presidency."

"Should the Electoral College have failed to provide a majority for either candidate, the election would have been decided in the House of Representatives, where each state would be allowed one vote. The vote would have been determined in each state delegation by the majority party. Since Republicans outnumber Democrats in the Michigan delegation, Michigan's vote would probably have gone to Mr. Nixon, even though a majority of the state's voters cast their ballots for Mr. Humphrey."

Congressman Ford recalled that he polled his constituents in 1967 on the question: "Do you favor amending the U.S. Constitution to abolish the Electoral College and provide for direct, popular election of the President and Vice-President?"

OF THE 11,599 persons who replied to the question, 9,357, or 81%, said yes, and only 2,242, or 19%, said no. These results tallied closely with a Harris Survey which reported

that 79 percent of the American people favored abolishing the Electoral College and replacing it with a direct-vote system.

Ford said he would also seek a study of the party convention system for nominating candidates for President and Vice-President.

"The two major party conventions this year indicated a need for some changes to provide more participation by more citizens in the nominating process," Ford said. Again, I am not certain just how this can or should be accomplished, but I do think that some serious consideration and study are in order."

Congressman Ford emphasized that he was not condemning the present systems of nomination and election.

"They were drafted and put into effect many years ago,

when our nation was smaller and much less complex. They have served us well for a long time. But any system must be geared to the times. As times change, and new problems emerge, we must be flexible enough to change our ideas and our methods to meet these new problems."

Prep Cage 'Merry-Go-Round' Begins On Friday

Tigers Ready To Move Out Of League Basement

BELLEVILLE — The annual "merry-go-round" of the prep cage circuit begins next week with the three area teams hopping aboard with plenty of optimism and great expectations that they'll get off only after a trip to East Lansing and the State Finals.

Belleville, which hasn't made much noise on the cage circuit lately, changed skippers with Allen Gates taking over the helm from Larry Hulce.

Gates, a veteran strategist who guided Allen Park's junior varsity squad, will get his first taste of competition as the Tiger head coach on Friday, Dec. 6 when he takes his squad up against Wayne Memorial for the season's opener.

Last night, Tiger fans had an opportunity to "Meet the Team" and with five senior starters back from last year's squad, Belleville may just make it, "The Year of the Tiger."

Belleville will get a chance to see their club in action at home for the first time next Tuesday when undefeated Sauk Trail Conference champ and

runnerup in the Class A State championship race, Ypsilanti, is in town.

Romulus, meanwhile, joins (continued on page 14)

Romulus Set To Swipe Cage Glory From Rouge

ROMULUS — Romulus could become one of the top clubs in the tough Twin Valley Basketball Conference, but will find it difficult again to retain the supreme glory because of

the towering strength of River Rouge.

Rouge will have all of its cagers back in its lineup which claimed a share of the conference title last year while

coach Al Duva's Eagles are minus two prolific scorers, Nolan Street and Mike Woods.

Woods, a deadeye whenever he was free, was also one of the strongest rebounders in the conference and state and coach Duva and the fans are going to have to wait a long time to forget him.

But don't start shedding any tears for Duva or the Eagles as yet. They'll have one of the tallest teams they've ever fielded. Three of Romulus' potential starters are over 6-foot-4 with junior pivot Roy Szyndlar hitting 6-foot-6.

"We have all the potential of fielding a real strong ball club," said coach Duva, who'll enter his seventh season as head coach on Dec. 6 when his team hosts East Detroit. "Our unknown factor is experience — the lack of it, that is."

"If we can close the gap before we start hurting, then we'll be right up there. If not, then we're in trouble."

Coach Duva has a string of six lettermen on hand to challenge Rouge's supremacy in the Twin Valley and maybe give the district and regional teams a run for their money.

His top candidate must be considered 6-foot-5 center Larry Smith who was instrumental in leading the Eagles to their second winning cage season in over a decade.

Smith, a senior, handles himself well under the

Belleville Appears Delightfully Stacked

BELLEVILLE — There'll be plenty of familiar faces when Belleville opens up the cage season against Wayne Memorial High next Friday (Dec. 6) but most of the attention will be focused on Allen Gates, the new head coach.

Fans will be wondering if Gates is the man who can cure Tiger cage woes. There'll be no immediate answers.

Gates, reserve and assistant varsity coach at Allen Park for the past five years, replaced

Larry Hulce after the latter failed to come up with a winning season in his three year tenure.

And the Tigers are hungry as ever to see their team win.

"I feel we're going to surprise a lot of teams this season," said coach Gates. "I've been around the Suburban Six League for quite some time and know how most of the teams function."

"I'm impressed with what we have this year in the way of

talent and with a few breaks we should do alright," he said. Fast breaks?

Could be. Gates said he adheres to a controlled offense but given the opportunity to fast break, he doesn't see why not. And he's strictly a man-to-man coach and his teams will run as much as they can.

If Gates' face will be unfamiliar to fans, the players aren't. Five lettermen — four of

whom started — will again be back in Tiger uniform.

John Yocum, who quarterbacked the grid team, is a year older and could be one of the most potent scorers in the league and area this season.

The 6-3 1/2 senior is as versatile as they come and could provide his team with shooting finesse that may snap the Tigers out of their doldrums.

Also back in varsity uniform are seniors Bob Fowlkes, (6-0)

one of the Tigers' leading scorers; Dave Ford, a 6-4 pivotman; guards Mark Williams, who will replace the lone graduated starter, All-Area candidate, Wilson Boone; and Norm Harrington, a 6-0 senior guard.

Gates may have a sleeper in Jim Singleton, a 6-1 junior who clears 6-foot-5 in high jump. Other bright spots include sophomore Garrade Pettus, a 5-10 1/2 guard, and Mike Krawulski, who'll have to

polish up his moves to get ready for the season. Both Singleton and Krawulski were picked "All-Area" in football.

Tied with Allen Park for last place in the Suburban Six Conference last year, the Tigers should be pushing towards their best season in recent years — they've matured over the past year — but so have the others in the league. The unknown factor is, of course, how much have the Tigers improved?

Panel To Work On Cage Forecast

WAYNE — Those old pros who made up the "Panel of Experts" that predicted the outcome of the high school football games will use their talents to forecast prep basketball results as well.

The Panel, made up of sports editor Tom Mooradian, Belleville's Bert Osterberg; Managing Editor, Bob McClellan; Wayne Eagle editor, Tom Isley; publisher Ray Clift; and Charles Dickinson, will have a new face in Dick McKnight, the editor of the Westland Eagle.

McKnight replaces Dave Wise who surrendered his crystal ball to the panel after finishing last in the football predictions.

Although this learned Panel would like to accept the challenge of producing the winners of Tuesday

night games, we will, after the inaugural week, stick strictly to the Friday matches to avoid confusion.

So, here we go again!

THE SPORTS MERIDIAN

By Tom Mooradian

A Surprise Move At West

The world of Harold Burkholder is a world filled with the class of gridgers, football competition, of winning and losing on the gridiron. And suddenly, with little notice, that world came to an abrupt end for the 35-year-old grid coach.

At an end at Garden City West High, at least, for the past five years he devoted much of his time building a football team which would bring respect to the community and dignity to the players.

For some unknown, even strange, reason Burkholder retired from his world this week for a niche yet undetermined.

The first and only coach West Senior High students and fans have known resigned this week.

In the words of a sports writer, Burkholder quit.

But those are strong words to use and wrong ones in Burkholder's world.

"I didn't quit," answers the West coach to our first question: "Why did you quit?" "Let's get this straight, I abhor quitters. I'll still be in football, maybe not around at West, but when the 1969 football season comes along, I'll be coaching football."

Where?

There were no definite plans in his answer.

Burkholder, popular with this sports columnist because of the cooperation he has shown over the past four years since I've been pounding this beat, said his decision was not on the spur of the moment; that he had been contemplating the move since last summer.

More To Story?

His losing season wasn't the impetus behind the note informing West High Principal, William A. Riley, that he was through.

"I had discussed this with Mr. Riley this summer and told him that I have reached the point where — win or lose — I was going to resign after the football season."

"I told him that I believed we needed new blood in the program and that I had reached the point where there was dire need of a new man."

Burkholder was named head coach when West opened its doors in 1963. Over a period of five years his teams have posted a 21-25-2 overall won-lost-tied record. Although the Tigers have never been able to capture the Tri-River title, they always threatened and were respected by rival teams and coaches.

One senses that there is more to the Burkholder resignation than just a resignation — or maybe it's a nosey reporter getting nosier again.

Call For Mr. Keith

And how do you track down a guy who's bowled a perfect game? That's what the Sports Meridian has been unsuccessfully trying to do all week.

Ford Patterson jotted down on a piece of paper, "Bob Keith had a perfect 300 game, his first, Wednesday night in the Lodge Masters League. He lives in Belleville at 10080 Clayton road. How about writing a story?"

Sure, I thought, it'll be easy. So I got a hold of the operator, figuratively that is, and asked if she had a listing for a Mr. Keith in Belleville. Her answer was negative but added, "There's a Keith on another street in Belleville, do you want her number?"

I replied that I wasn't particular and would take any number.

After dialing the second Keiths, the kind voice on the other side of the line informed me, "I think he's my nephew."

"That's nice," I answered, "Is there any way I can contact him?"

"Why?"

"Oh, he bowled a 300 game and I am told he would like to see his name in the paper."

"300? Is that good?" she asked.

I don't know, Bob, is that good?

THE NEW & OLD — Belleville will have a new skipper at the helm of its cage ship this season in coach Allen Gates (first from left), but familiar faces as Dave Ford (left to right), Norm Harrington, John Yocum, Mark Williams and Bob Fowlkes will be on hand to try to better their last place finish in the Suburban Six Conference last year.

In the high team single game category, Dudick

Construction's 846 leads the way while Memerings dropped to second with a 768 and in third is Earl's Mobil with a 768.

The battle for individual game highs continues with Mrs. Dudick's 205 game a two-pin edge over Kitty Chudzinski's 203. Miss Lundine turned in the best for the league with 198.

Sue Ringleberg came up with a 5-10 split conversion and Kitty Cooker surprised the league with a 3-10 hit while Eileen Pope came through on a 5-6-10 and Joy Schurich realized a 3-10 and 5-7 split.

Kathy Bruder won the first Mystery Game with 97 and Donna Gonyaw grabbed the second with a 156 in other action.

FOOT-WORK — Looking for a break to whiz by teammate Mike Stepp is Belleville's Garrade Pettus, a highly regarded sophomore who is seeking a berth on the Tiger varsity squad.

backboards and has a knack of freeing himself for easy layups when the chips are down. And other blue chips are Louis Davis, 6-0 senior forward; Charles Johnican, 6-1 guard; Frank Nesbitt, a 6-1 center; Rick Paglia, 6-0 senior guard; and Paul Seestedt, a 5-11 junior guard. Add that height to Szyndlar's 6-6 and you can see why coach Duya and his fans are looking forward to the initial tap.

TIGERS

(continued from page 13)

the merry-go-round on Dec. 6 with a home-opener against always tough East Detroit. Coach Al Duya's Eagles also are packed with veterans although they've lost the services of prolific scorer Mike Woods and Nolan Street.

Potentially Romulus can field one of its best teams in recent years, but the lack of experience may cause the Eagles problems.

The Eagles hit the road for their second encounter which is set for Livonia Franklin, a representative of the Northwest Suburban Conference.

Huron came alive on the basketball courts last year and produced its first winners to end a victory drought which had hovered over the area for quite some time.

Coach Dave Court hopes the momentum will carry over to this year's campaign and he has plenty of veteran cagers to make him optimistic.

Playing in a new league, the Huron Conference, the Chiefs will test their new model tonight in a game against the Alumni and will emerge from that battle with hopes of winning their first league match scheduled for Dec. 3 at Carlson.

Assigned Duty

BELLEVILLE — Army Private First Class Carl E. Stafford, 20, whose parents, Mr. and Mrs. Chester E. Stafford, and wife, Shirley, live at 4300 Corinne Street, has been assigned to the 242nd Assault Support Helicopter Company in Vietnam as a powerman.

RESOLUTION NO. 68-33

A Resolution to amend Resolution No. 68-18 adopted June 18, 1968; Entitled "Resolution of the Romulus Township Board of the Township of Romulus, Michigan approving General Neighborhood Renewal Plan."

The third paragraph is amended to read:

WHEREAS there has been prepared and referred to the Romulus Township Board (herein called the "Governing Body") for review and approval of a General Neighborhood Renewal Plan for the General Neighborhood Renewal Area, consisting of 13 pages and seven exhibits: and

I, Alfred J. Perry, Clerk of the Township of Romulus do hereby certify that the foregoing is a true copy of an amendment to Romulus Township Resolution No. 68-18, adopted on November 19, 1968 at a regular meeting of the Romulus Township Board held in the Romulus Township Hall.

10 LETTERMEN RETURNING

Eagles Look Tough On Mats

ROMULUS — With ten of his 12 weight categories stacked with returning lettermen, coach Jim Stallings is anxiously looking forward to his sophomore year as head wrestling coach at Romulus High.

In his inaugural season, coach Stallings guided the Eagles to an 8-7 overall record and the Twin-Valley Conference championship.

"We looked real impressive in our first outing last week," said Coach Stallings, "but we have a lot of work ahead of us."

Romulus will launch the dual meet season against Cranbrook on Tuesday. And in the lineup the Eagles will have several veteran grapplers, including heavyweight Nate Williams, a two-time All-Area selection.

Also back from last year's squad is Greg Stevens (95); George Doyle (127); James Williams (120); Melvin Cross (138); Dave Brown (145); Russel Reaume (154); Woody

Barker (165) and John Stanek (180).

Coach Stallings has four impressive freshmen to choose from including 95-pound Julian Williams and 133-pounders John Arrington and Leatha Hughes to round out his team.

Also making his debut on the mats is Tom Nault, a 275-pounder who'll wrestle in the unlimited category. Tom is only a freshman.

Postpone Meeting

BELLEVILLE — The meeting of the Belleville Area Senior Citizens Club scheduled for tomorrow, Thursday, Nov. 28, Thanksgiving Day, has been postponed until Thursday, Dec. 5. The Dec. 5 meeting will be held at the Edgemont Elementary School.

RESOLUTION NO. 68-34

BE IT RESOLVED: That the Township of Romulus approves the transfer of the following lands:

Land in the Township of Romulus, Wayne County, Michigan described as:

The east ½ of the N.W. ¼ of Sec. 36, T. 3 S., R. 9 E., Romulus Township, Wayne County, Michigan, except the north 660 ft. thereof; also the south ½ of the west ½ of the N.E. ¼ of said Sec. 36; also the north 200 ft. of the east ½ of the S.W. ¼ of said Sec. 36; also the north 780-ft. of the west ½ of the west ½ of the S.E. ¼ of said Sec. 36; and also the north 1660 ft. of east ½ of the west ½ of the S.E. ¼ of Sec. 36, T. 3 S., R. 9 E., Romulus Township, Wayne County, Michigan.

from the ENGLISH DRAINAGE DISTRICT to the TRUAX DRAINAGE DISTRICT, pursuant to an agreement between the developers of said lands and HENRY V. HERRICK, Wayne County Drain Commissioner.

Respectfully submitted,
... ALFRED J. PERRY, Clerk

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing Resolution was duly adopted at a regular meeting of the Romulus Township Board, held on November 19, 1968 on a motion by A.J. Perry and supported by J. Stewart, motion carried unanimously.

Leader Dog Week Is Proclaimed

The week of Dec. 2nd through Dec. 8 has been proclaimed Leader Dog Week by Governor George Romney. During Leader Dog Week attention is called to the important rehabilitation program being conducted at the Rochester, Michigan, Leader Dog School. The non-profit school Leader Dogs for the Blind, was founded in 1939 by Lions of Michigan — and has since trained over 2,600 Leader Dog "teams" (Leader Dog and blind person). Leader Dogs are furnished, without charge, to all eligible applicants. A Leader Dog enables its owner to enter fully, despite a handicap, into the life of the community — to live an active and contributive life of his own.

LIONS ARRANGE the enrollment of every eligible person who expresses an interest in obtaining a Leader Dog. Lions sponsor projects that are largely responsible for the success and growth of the unique school that provides happiness and confidence to blind men and women. In addition to furnishing operating funds, Lions are always on the look-out for good, friendly German Shepherds, Labrador and Golden Retrievers — between the ages of one and two years — for the Leader Dog training program. All dogs are contributed; none are purchased. Anyone knowing of a blind person interested in obtaining a Leader Dog — see a member of the local Lions Club. Anyone interested in contributing a potential Leader Dog write — Leader Dogs for the Blind, Rochester, Michigan 48063.

Respectfully submitted, Alfred J. Perry, Clerk Township of Romulus

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a true copy of the minutes of the Romulus Township Board Meeting held on November 19, 1968, in the Romulus Township Hall.

Alfred J. Perry, Clerk

APPROVED: Joseph Wallis, Temporary Chairman

TOWNSHIP OF ROMULUS COUNTY OF WAYNE

THE TOWNSHIP OF ROMULUS ORDAINS:

SECTION 1 — Permission is hereby granted to THE DETROIT EDISON COMPANY, incorporated under the laws of the States of Michigan and New York, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the Township of Romulus, Wayne County, Michigan, all needful and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, and to transact a local electric business within said Township, subject, however, to all conditions and restrictions hereinafter contained.

SECTION 2 — The conditions of the foregoing grant are as follows:

A - The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.

B - The Township may, in its discretion, grant permission for the trimming of trees when necessary to make the lines safe and accessible, such trimming to be done under its supervision.

C - The construction of the said lines shall be in accordance with the rules and regulations of the Michigan Public Service Commission or its successor.

D - The said grantee, before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any poles, mains, wires, pipes, conduits, or other apparatus, shall in writing notify the Township or its representatives of the proposed construction, and shall, if the Township so requires, file with them a sufficient plan and specification, showing the nature and extent of the proposed erection and construction.

E - No street, highway, alley or public place shall be allowed to remain open or encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the grantee shall at all times conform to all ordinances of the Township, now or hereafter in force, relative to the fencing and lighting of obstructions and excavations.

F - The grantee shall save the Township harmless from any judgment that may be recovered against the Township by reason of the wrongdoing or negligence of the said grantee in the erection and maintenance of said poles, mains, wires and other apparatus or construction.

G - Said grantee shall make due provision upon forty-eight hours' notice in writing by raising its wires or otherwise, for the passage of any barn, building or other structure on or over any street, highway, or public place occupied by the mains, wires, poles and apparatus of said grantee.

SECTION 3 — In consideration of the granting of this franchise, grantee agrees that its rates and charges for electric service in the Township of Romulus shall not exceed its rates and charges for like service elsewhere in its service area, evidenced by its uniform rate schedules at the time on file with and approved by the Michigan Public Service Commission. It is understood that the grantee is subject to regulation by the Michigan Public Service Commission and that any order, rule, or regulation by that Commission, or its successor, will prevail over any regulation herein contained or provided for in case of conflict.

SECTION 4 — This grant shall take effect if said grantee shall, within fifteen days from the date of the passage of this ordinance, file with the Township Clerk its written acceptance of the terms of the same, and upon the confirmation of this grant, by the affirmative vote of a majority of the electors of said Township, voting thereon at a special election to be held on Monday, the 13th day of January, 1969, as provided for by the Statutes and the State Constitution.

If not confirmed by the electors voting at said election, this ordinance shall be null and void.

SECTION 5 — This Franchise and Ordinance shall be and remain in force for thirty (30) years from and after the date of its confirmation by the electors of the TOWNSHIP OF ROMULUS, Wayne County, Michigan.

SECTION 6 — Nothing in this grant shall be construed to alienate the title of the public in and to any street, highway, alley or public place of any portion thereof, neither shall anything herein be construed in any manner as a surrender by the TOWNSHIP OF ROMULUS of its legislative power with respect to the subject matter hereof, or with respect to any other matter whatsoever; nor as in any manner limiting the right of the said TOWNSHIP OF ROMULUS to regulate the use of any street, avenue, highway or public place within its jurisdiction.

Dated this 19th day of November, 1968.

Moved by Alfred Joe Perry
Seconded by Norbert Wegienka
The following Resolution was adopted by a vote of Yeas 6, Nays 0, Absent 1.

RESOLVED, that the proposition and franchise of THE DETROIT EDISON COMPANY, as read, be adopted, subject, however, to confirmation by vote of the electors of the TOWNSHIP OF ROMULUS, Wayne County, Michigan.

November 19, 1968

I hereby certify that the above and foregoing is a true and correct copy of a franchise granted to THE DETROIT EDISON COMPANY at a regular meeting of the Township Board of the TOWNSHIP OF ROMULUS, Wayne County, Michigan, held on Tuesday, the 19th day of November, 1968, said franchise to be subject to the conditions of Section 4 of said franchise in accordance with the law governing same.

Math Magic

By WILLIAM A. LOYD
Math Teacher

FROM: The Trachtenberg System of Speed Mathematics. The American public is living in the world of speed. Speed reading became popular when John F. Kennedy was President. The whole country took up speed reading. Now, however, speed mathematics is in vogue. For years, accountants and scientists have used speed mathematics. Today, the American public is learning speed mathematics.

The basic rule for 6 is like the rule for 11 except that instead of adding the neighbor, you add HALF THE NEIGHBOR (and you add 5 if the digit you are working on is odd.)

BASIC RULE: ADD THE NUMBER TO HALF OF NEIGHBOR IF THE NUMBER IS ODD, ADD 5, THEN ADD HALF OF NEIGHBOR.

PRACTICE DIVIDING numbers in half. If the number is odd and half of it is a number and a fraction, drop the fraction. For example: half of 3 is 1½. Drop the ½ and use only the one.

Example 832 x 6
Step 1 Put down the right hand number of the multiplicand as the right hand number of the answer. If it is odd, add 5.

832 x 6
2
*The right hand number of the multiplicand is 2 (even)
*Put it down as the right hand number of the answer.

Step 2 Add each succeeding number to one half the neighbor at the right. If the number is odd, add 5 before adding to half the neighbor.

832 x 6
92
*The second number is 3, which is odd, so you add 5 and get 8
*Now add 1 (half the neighbor) and you get 9, the second number of the answer.

832 x 6
992
*Repeat Step 2. Add the next number - 8 to 1, one half of its neighbor (remember you always drop the fraction when dividing an odd number in half) and again you have 9.

Step 3 To get the left hand number of the answer, divide the left hand number of the multiplicand in half.

832 x 6
4992
*Divide 8, the left hand number of the multiplicand, in half and you get 4, which becomes the left hand number of the answer.

THE TRACHTENBERG SYSTEM, thoroughly tested in Switzerland, is a complete system that is easy to understand and amazingly effective from basic arithmetic to geometry, intricate divisions, algebraic formulas and more. The Trachtenberg System is not the only speed system, there are many.

Multiplication by 6. Remember that every multiplication problem has three identical steps and are all related to the rules for multiplying by 11.

(Editor's Note: This is the sixth of a series on The Trachtenberg Speed System of Basic Mathematics by William Lloyd, math teacher at Belleville Junior High School).

TIGER TALES

By DENA RODENBERG

Tryouts took place at White Acres in Saline for Music Youth International. Students came from all over Michigan and the Tri-State area for the tryouts. This group consists of both choir and instrumental people.

These students will give concerts while they travel. In order to take part in this they had to be auditioned and interviewed, and able to sight read music and play various scales.

This year seven BHS students were selected and next summer in 69, they will have the privilege of touring the western United States and Japan for six weeks.

Four students will represent the choir and three students will represent the band. The band is being represented by: Kurt Hildinger (11), who plays corone; Bill Villa, (12), percussion; and Leon Varney, (11), French horn. The choir is being represented by: Marti Bitnar, (11); Loren Bennett, (12); Kay Vandecar, (12); and Dave Kingsley, (12).

FOUR OF the seven chosen have had the privilege of going on the MYI tour last year. They went to Mexico, Central America, and central United States. Kay Vandecar, Loren Bennett, Dave Kingsley, and Bill Villa are the four fortunate students who went on the MYI tour last summer.

Lester McCoy of Saline is the founder of MYI and conductor of the choir. Russel Reed of Trenton will conduct the band.

While on the tour students will stay with local families. This way they really get to know how people in other lands live.

Dave Kingsley was another one of the students who took the MYI tour last year. When asked for his opinion of the tour Dave had this to say, "In MYI I met a different caliber of kids and made about a hundred new friends. Our relationships were really close because we all had something in common."

Kurt Hildinger who will be going on the tour next summer said when asked how he felt about the MYI tour: "This, no doubt, is the biggest thing of my life. I'm taking a bunch of shopping bags and I will fill them up with Japanese trinkets."

THE STUDENTS will travel by plane, train, and bus. Each student will have to pay approximately \$800 to cover the cost of transportation and other expenses. There will be a board of members who will travel with the group and try to keep the students in order.

Varsity Club has elected its 1968-69 officers. They are: President, John Yocum; Vice-President, Steve

Hampton; Secretary-Treasurer, Bruce Bara; and Student Council Representative, Gary Gentle.

The Ski Club at BHS have elected their officers for this year. Officers elected and their positions are as follows: Jeff Miller, President; Theresa Bies, Vice-President; Chris Stillwagon, Treasurer; Noreen Nalli, Secretary; and Dean Turney, Sergeant-At-Arms.

PLANS ARE being made by the members to see a movie at Ann Arbor High School on the "Tenth Winter Olympics."

So far sixteen senior students at BHS have received their college acceptances. Seniors accepted for Michigan State University are: Nancy Cooper, Kathi Davis, Rick Emerson, Richard Korgal, Dale Maki, Judith Meece, Jeff Miller Lee Schmidt, and Mark Williams. Mary Papuzynski is the only one that has been accepted by Northern Michigan University.

Alan Fant and Richard Korgal have been accepted by Western Michigan University. Joanne Renton has been accepted by Ferris State College while Mary Clapp was accepted by Oakland University. Patricia Suliman and Sharon Houck were accepted by Central Michigan University.

The Senior Play, "1984", under the direction of Martin Chappo, with student director Margaret Kovacs, will be presented Dec. 6 and 7, in the Junior High School Cafetorium.

This year's cast includes: Tom Moore, as Winston; Kathi Davis as Julia; Dave Kingsley as

O'Brien, Trish Martin as Parsons, Mary Copenhaver as Syme, Sharon Boprie as the Landlady, Teresa Bies as the Loudspeaker, Nancy Brown as Gladys, Jo Renton and Kay Vandecar as the coffee vendor and messenger, Ted Wilson as the waiter, and Loren Bennett and Rick Munkrachy as the guards.

JUNIOR CLASS members are busily working to get their first prom under way. Seeing that this is their first prom they seem to be very enthused and want to make this night one they will always remember.

The juniors chose "Evening in Paradise," as their theme. The Junior Prom will be held in the boy's gym on Dec. 14.

Chairmen and members of committees are as follows: decorations: Neil Johnston, Jackie Barnett, Beth Burcroff, Margaret Copp, Betty Dickerson, Denny Griffith, Debbie Horton, Joanne Herkimer, Bev Leppiaho, Sharon Smith, and Mike Vanderhoof; refreshments: chairman: Linda Harris, Joy Cummings, and Pat Parent; Publicity: chairman: Beckie Underwood, Mark Kuzel, and Dennis Sullens; Programs: chairman: Norma Weems.

Teachers sponsoring the dance are: Maurice Charron, Mrs. Martha Forrest, Mrs. Ruth Graves, Mrs. Marilyn Limebaugh, Norman Jacobs, Philip Neupert, Richard Powell, Ken Schodeller, Mrs. Margaret Schultz, Mrs. Elsie Shikles, Mrs. Donna Smith, Mrs. Esther Smith, Richard Steiger, and Roland Wolfe.

School Bus Drivers' Safe Driving Class Set

The school bus drivers of Wayne County are meeting again this week to continue their lessons about safe school bus operation. Sessions are scheduled for Dec. 2 at Franklin High School, (North Cafeteria), 31000 Joy Road, Livonia;

On Dec. 3 at Belleville High School (Library), 501 W. Columbia avenue, Belleville; And on Dec. 4 at Grosse Ile Junior High School (Library), 23270 E. River road, Grosse Ile.

All classes meet from 7:00 to 10:00 p.m.

FEATURED IN these meetings will be the Defensive Driving Course which has been developed by the National Safety Council. The course has been presented to more than a million private car and commercial drivers in the United States. Many thousands of others have also completed the course which has been offered in many locations throughout the world. The presentations have been carefully planned to help each driver learn how he can best avoid accidents, and thus drive safely.

Van Buren Township Briefs

BELLEVILLE - The salaries of janitorial employees were increased by the Van Buren Township Board.

An increase from \$250 to \$300 per month was approved by the Board upon request of Township Supervisor Louis A. Toth who cited recent boosts in labor and material costs.

In other business, the Board approved the purchase of a mailing machine and postage meter including feeder for the price of \$740.

A planning recommendation by the Planning Commission to zone from R-1-C (single family) to R-M (Multiple dwelling) approximately 20 acres contiguous with an R-M zoning at the north west corner of Old Haggerty Road and I-94 Expressway was unanimously approved by the Board.

Police Probe I-94 Fatality

BELLEVILLE - A traffic fatality that occurred on I-94 Expressway at Haggerty road last Friday, Nov. 22, is still under investigation by Ypsilanti Post of the State Police.

Fatally injured was Raymond Gill, 59, of Gary, Indiana. He was dead on arrival at the Wayne County General Hospital after being struck by one car and then thrown into the path of another. Both cars were traveling west bound on I-94 Expressway.

State Police Troopers reported that a car being driven by Donald Ehrhart, 42, of Ypsilanti swerved to the left to avoid hitting Gill who was walking on I-94 Expressway. His car threw him into the path of a car being driven by Barbara Wagenschultz, 33, of Plymouth.

formal request to the State Highway Department for the re-installation of 25 mile an hour speed signs on the North and South Service Drives of Ecorse Road.

The speed control signs had been removed during recent road repaving and had not been replaced.

There have been instances of drag stripping on the service drives in the absence of the signs, Toth reported.

Residents Warned by Chamber

BELLEVILLE - The Belleville Area Chamber of Commerce has issued a warning to residents to beware of "door-to-door salesmen, photographers and others who are using rather strong arm methods."

Theodore F. Kuckelman, executive secretary, in a Chamber alert said:

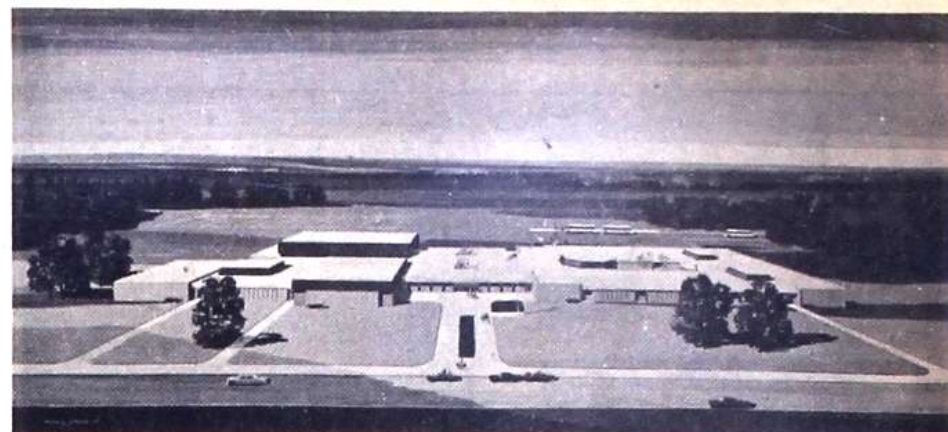

"We warn all residents not to be misled into signing any contracts or making any commitments from door-to-door salesmen without first checking with your Chamber."

He added that residents should check with the Chamber even if the salesmen present letters or credentials, and said:

"To never sign anything until you have read everything. This means the fine print!"

"We advise prospective buyers to purchase from reputable or known companies."

If residents have any questions, Kuckelman requests that they contact the Chamber at 697-7151.

NEW JUNIOR HIGH SCHOOL - Van Buren Township's new Junior High School now underway on McBride and Beck Roads is displayed in the above architect's sketch. The \$2,257,000 school facility will represent the best in modern educational planning and architectural excellence. Its first unit is scheduled for occupancy by September, 1969.

AT ROMULUS HIGH

'Messiah' Performance Scheduled

ROMULUS - A performance of George Frederick Handel's great oratorio, "Messiah," by various combined groups has been scheduled for Sunday afternoon, Dec. 8, at Romulus Senior High School.

Participating groups will include the Romulus High School Choir, conducted by Wade S. Jones; the Romulus High School orchestra, conducted by Gideon Pettway, Jr.; and the Chancel Choir from the Winchell Avenue Christian Church, Kalamazoo, Michigan, conducted by Mrs. John Markkille.

In addition to soloists drawn from the above-mentioned groups, many of the solo selections will be performed by advanced voice major students from Western Michigan

University, in Kalamazoo.

A repeat performance of "Messiah" will be presented the following Sunday in Kalamazoo. All groups participating in the Romulus Concert will again perform. The Dec. 8 concert will begin

at 4 p.m. in the Romulus Senior High School gymnasium.

The public is cordially invited to attend. Although there will be no admission charge, a free-will offering will be taken.
